WORKSHOP
ON
"ALGAE CULTURE"
(15/01/2021)

The Department of Botany organized a workshop on Algae Culture on January 15, 2021, with the participation of 40 students, faculty members, and enthusiasts. The primary objective of the workshop was to provide participants with a comprehensive understanding of algae biology and cultivation techniques. Two esteemed experts in the field, Dr. Vinayakk Lokhande and farmer Iyappan S, led the sessions, combining theoretical insights with hands-on practical demonstrations. The workshop covered the ecological importance of algae and their applications in various industries. Participants actively engaged in setting up and maintaining algae cultures, gaining valuable skills in the process. The interactive Q&A session facilitated a deeper understanding of the subject. The success of the workshop was attributed to the expertise of the invited speakers and the enthusiastic participation of the attendees. The department expresses appreciation to Dr. Vinayakk Lokhande and farmer Iyappan S for their significant contributions to the success of the Algae Culture Workshop also focused on Azolla culture for biofertilizer production.
