**“Hands on Workshop on Preparation of Herbal Cosmetics”**  
**(04<sup>th</sup> October 2021)**

Considering overall well-being, holistic approaches to beauty are common in herbal cosmetics. Sustainability, is a frequent technique in the cultivation of plants and herbs used in cosmetics, reducing the environmental impact of the cosmetics industry. This reflects the growing desire for ethical and cruelty-free cosmetics. Botany Department organized workshop on “Preparation of Herbal Cosmetics” on 04<sup>th</sup> October 2021 for F.Y, S.Y & T.Y students. Workshop was started at 10:00 am and was carried out under the presence of our guests Dr. Priyadarshani Kadus & Dr. Atul Kapadia. Total 25 students were participated in this workshop. Students prepared Herbal Serum, herbal face packs, etc. The students' interest in herbal cosmetics increased significantly as a result of this workshop.
