These graphs show, the perceptions of the students and teachers in various dimensions of Curriculum in terms of defined criteria. Overall appreciating responses are received from the students and teachers. Their valuable suggestions will help us to improve in the areas where we are lacking.

Depending upon the student’s requirement for extra credit courses college has established SWAYAM Local Chapter (LC ID: 5685) and increased the ad on courses this year. This has been sent to the concern Head of Department to communicate the various BOS Chairman and Members for change in Curriculum.

**Pune District Education Association's
Waghire Arts, Commerce and Science College, Saswad.
Feedback Analysis Report 2023-2024**

The prominent suggestions are as follows:

Feedback by	Subject	Suggestions
Teacher	Psychology	Every Department should start internship program for last year students, where students can learn professional skills and personality development.
Teacher	Economics	Provide opportunities for experiential learning.
Student	Psychology	Start the MA Psychology.
Student	Psychology	Certainly! Here are some suggestions for improving the curriculum: 1. Integration of Local Contexts: Incorporate local culture, history, and examples to make learning more relevant and engaging for students. 2. Global Perspectives: Include modules or subjects that provide insights into global issues, fostering a broader worldview among students. 3. Career Guidance: Provide comprehensive career guidance and counseling services to help students make informed decisions about their future pathways.
Student	English	Arrange National and International level Conferences.
Teacher	English	Integrating value education into academic coursework can foster holistic development, ethical reasoning, and a sense of social responsibility among students.
Teacher	Economics	Need to Employability skill.
Teacher	English	Practice oriented topics be included.
Teacher	Geography	Curriculum should meet the local requirement; merge with advancement benefitting the students.
Student	Marathi	Make advance technology a constant in courses offered.
Student	Marathi	Focus on the basic knowledge and current affairs.
Teacher	Commerce	Syllabus should be more relative to professional exams such as C.A., C.S., C.M.A. and other competitive examinations.
Student	Cost & Works Accounting	Please add practical experience to students
Student	Banking & Finance	Encourage continue assessment & feedback

Waghire Arts, Commerce and Science College, Saswad.
Feedback Analysis Report 2023-2024**

Student	Cost & Works Accounting	Please improve more skills development activities
Teacher	Advance C	Add Graphics Examples
Teacher	Business maths	Take job trends into consideration.
Teacher	Business statistics	Practical must include in this subject
Teacher	Retail Management	Limited number of subject offered both practical and theory
Teacher	Business Mathematics and Statistics	Syllabus of Business Mathematics and Statistics is very vast, some units should eliminate which are not in depth
Teacher	Computer Software Development	Computer Lab Improvement
Student	Computer Software Development	Add Subject related to artificial intelligence
Teacher	Food Processing and Technology	Student should improve their basic skill related to food technology
Student	Food Processing and Technology	availability of lab and equipment is essential
Teacher	Tourism and Hospitality Management	Requirement of ICT Tool
Teacher	Tourism and Hospitality Management	Support and permission for abroad tours
Student	Computer Science	Engage us with real-world projects.
Student	Web Technology	Provide more better knowledge of every subject and the new launch software's and Specific IT lab
Student	Mathematics	Support in cultural event
Alumnus		Use better graphic and visual media to help poor student in an education.
Parents	Commerce	Placements to be given to students
Teacher	Zoology	Recent approach, trends and employability based topics should be dealt.
Student	Chemistry	Teacher can't conduct all lectures and can't cover syllabus
Student	Microbiology	Ensure that the curriculum reflects the cultural diversity of the community and region. Include content that celebrates local heritage, traditions, and languages while also promoting global awareness and understanding. Integrate technology throughout the curriculum to prepare students for the digital age. This includes teaching digital literacy skills, coding and
