**A Report on**  
**5-DAY WORKSHOP ON NET/SET PREPARATIONS IN**  
**COMMERCE (10/02/2020 to 14/02/2020)**

A 5-day workshop on **NET/SET PREPARATIONS IN COMMERCE** was organized by PDEA's Waghire College, Saswad, Tal- Purandar, Dist- Pune in association with Savitribai Phule Pune University from **10/02/2020 to 14/02/2020**. Considering the opportunities of placements in the field of higher education, 5-day workshop on NET/SET preparations in commerce was organized for the enthusiastic PG students of the college. The workshop helped in providing the detailed information regarding NET/SET exams and its preparation. The notable speakers were invited to speak on the topic of workshop. It received an overwhelming response. Students jostled over for the space and thoroughly enjoyed the lectures of the invited speakers.

The workshop was inaugurated by Principal Dr. Sushama Bhosale. In her opening remarks, Dr. Bhosale stated that this test enables Post Graduate students to qualify for university level teaching jobs in India and also to seek admissions in PhD level programmes. The test ensures that a candidate qualifies for the minimum standards in the teaching profession and research. The test is conducted in Humanities (including languages), Social Sciences, Forensic Science, Environmental Sciences, Computer Science and Applications and Electronic Science.

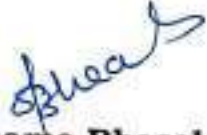

On 10/02/2020, the opening day, Dr. Madhavi Jadhavrao said that if you are planning to prepare for the UGC NET exam; it is advised that you begin your preparation well in time. A minimum of three to six months is absolutely essential. Create a routine that will not only focus on completing the topics but also on revising them. Run through the syllabus thoroughly. It is important that you understand the syllabus completely and prepare for

each topic accordingly. Do not leave out any topic. On 11/02/2020, Prof Sandeep Lokhande underlined the pattern of examination and focusing attention on the subject papers, preparing for the General Awareness test by solving sample papers. On 12/02/2020, Prof Sudhir Borate advised the students that to take help of some seniors or your teachers in understanding each and every topic to the best of your ability. On 13/02/2020, Ms Amruta Ghone shared her experience about the exam as she is recently qualified figure amongst the students. While preparing, concentrate on improving the quality of your preparation, which means you can concentrate more on zeroing down on what exactly has to be studied and how much has to be studied, and most important - have your own views about the answers. On 14/02/2020, Dr. Bhagyshree Nale spoke on importance time management while studying and during actual examination. Utilize time in an efficient manner. Have a strategy in place as to how to complete all the questions within the given time. It is best if you time yourself while preparing the subjects.

On 14/02/2020, the concluding day, Dr. R.B. Dhakane made his remarks on the workshop and said that Commerce is one of the most popular subjects among students for cracking UGC Net Exam and maximum selections are from this subject only. Preparing for UGC Net commerce examination requires an effective strategy tailored to the requirements of each particular aspirant. However, one can put forth these vital ingredients which are of utmost importance to all the aspirants. During the workshop Dr Satish Bongane, Dr Kishor Lipare and Prof Sayali Gaikwad worked in different ways to make the workshop highly successful.

One Day Workshop  
Report on "Career opportunities in Artificial Intelligence"

Date: 29 July 2019

One day workshop was conducted by the Department of Computer Science. Under the guidance of HOD Dr. Wani V. R. on 29-07-2019 from 10.00am to 12.00pm.

Speaker: Smt Pawar Ashwini conducted one day workshop on the topic "How to make PPT" first, second and third year (comp.Sci.) students in Hall no. G-17. Total 122 students and staff participated in this program. The speaker explained overview of career paths in AI, including roles, required skills, and potential growth areas.

After session students were give time to interact with him. Students found the session to be very informative and interactive.

The AI field is dynamic and continuously evolving, offering diverse career opportunities across various domains. From technical roles like machine learning engineers and data scientists to strategic positions such as AI product managers and ethicists, the demand for AI expertise is high. As AI technology advances, new opportunities will continue to emerge, making it a promising field for those interested in technology, innovation, and its broader implications.
