Workshop Report: Two Days Workshop on "Interview Techniques and Industry Skill"

The Two Days workshop on **Interview Techniques and Industry Skill** held on Tuesday 20th February 2024 and Wednesday 21st February 2024 at Waghire College of Arts, Commerce and Science, Saswad, Pune was a significant event aimed at to improve knowledge of Interview, Technical and Industry skills of graduate appearing students. Organized by BBA (CA) Department, participated around 70 students for two days of insightful discussions and learning.

In the Introductory speech, Prof. Ajay Gadhave, Head of Department underscored the workshop importance and brief information about department.

Principal Dr.Pandit Shelke & Vice Principal Dr.Subhash Wavhal Inaugurated the workshop and motivate, guide the students about industrial awareness and academic excellence.

Session: I

In Session I, Miss. Monika Fulare, Corporate Trainer, delivered a compelling presentation on the responsibilities and integrity expected from students. She highlights the industry coding skills, real life coding standard and improvement. She gives examples of sample projects.

Session: II

In Session II, Mr. Aditya Zagade, Corporate Trainer, highlights concept of how to build the resume. He gives streets, awareness how to face interviews and how to be present self. He gives sample mock interview to better understand.

Session: II

In Session II, Mr. Vijay Perdeshi, Director Hematite, focused on inspiration and motivation to students, set the goal of our life and effort to achieve it.

The Anchoring duties were expertly carried out by students Pranjal Kamthe and Rashika Khedekar, while vote of thanks were presented by Prem Tilekar, Dhote Shubham and Om Prabhale.

Two days workshop on **Interview Techniques and Industry Skill** to be awesome successfully conducted among students, and departmental staff Prof.Deepak Lokhande, Prof. Megha Kale, Prof.Sharayu Jagtap, Prof.Varsharani Jagtap and Prof.Shilpa Kharade.

Report on Hands on training on Spectrophotometry
Under
DBT STAR COLLEGE SCHEME

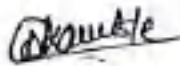

Date: 05/07/2023

Time: 11:00 am

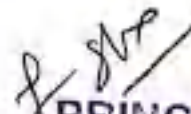

Under DBT Star College, Scheme the Department of Chemistry was organized Hands on training on Spectrophotometry on 05/07/2022 at 11:00 am to 02:30 pm. For this activity, Dr. Ganesh Nigade, Assistant Professor, SGRS College of pharmacy, Saswad was invited as a Resource Person. In this training workshop students learn about the fundamental basic principle of spectrophotometry, laws of spectrophotometry, and applications of spectrophotometry in chemical analysis. Students also learn about the preparation of samples for spectrophotometry and their analysis, students practiced the practical handling of instruments individually. Spectroscopy technologies mainly application of identification of sample molecules. He gave knowledge about solvent system use on his observation students take successfully spectra of various sample. For this hands on training programme 50 - T Y B Sc students participated.

Academic Year 2021-2021

One Day Workshop

Report on "Career Opportunities in Computer Industry"

Date: 12th July 2021

One day workshop was conducted by the Department of Computer Science, Under the guidance of HOD Dr. Wani V. R. on 12th July 2021 from 10:00am to 12:00pm.

Speaker: Mr. Lakhdive Sudarshan G. conducted one day workshop on the topic "Career Opportunities in Computer Industry" for S.Y.B.Sc(CS), I.Y.B.Sc(CS) students in Hall no.G-17. Total 175 students and staff participated in this program. The speaker explained career opportunities within the computer industry, highlighting various roles, required skills, and career pathway.

The seminar effectively covered comprehensive overview to help individuals make informed decisions about pursuing a career in this dynamic and rapidly evolving field. The interactive approach allowed participants to grasp practical skills.

After session students were give time to interact with him. Students found the session to be very informative and interactive.

The computer industry offers a wide array of career opportunities spanning various domains such as software development, data science, cyber security, and more. Each area presents unique roles and requires a specific set of skills and qualifications. Understanding these opportunities and the associated career pathways can guide individuals in pursuing a rewarding career in the computer industry.

Pursuing a career in the computer industry provides numerous opportunities for growth and specialization. With the rapid evolution of technology, there is always potential for new and exciting roles to emerge.

Report on "Career Opportunities in Cloud"

The Departments of B.Voc (Computer Software Development) organised a guest lecture on the topic "Career Opportunities in Cloud" on 4th March 2024 for the students.

In this interactive session the students were given a brief description of the following:

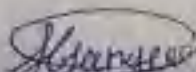

- Introduction
- Need of Cloud Computing.
- Different types of Cloud Computing.
- Roles of Cloud Computing.

The students were provided the information on cloud computing where he told the students about the growing need of computers in our day to day life so the computing resources that we need also go up. For companies like Google and Microsoft, harnessing the resources as and when they need it is not a problem. But when it comes to smaller enterprises, affordability becomes a huge factor. With the huge infrastructure come problems, like machines failure, hard drive crashes, software bugs, etc. This might be a big headache for such a community, Cloud Computing offers a solution to this situation.

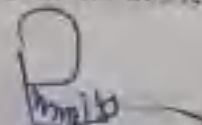

He explained what the cloud computing exactly mean in real life. A cloud is a virtualized server pool which can provide the different computing resources of their clients. Users of this system need only be concerned with the computing service being asked for. The underlying details of how it is achieved are hidden from the user. The data and the services provided reside in massively scalable data centers and can be ubiquitously accessed from any connected device all over the world.

He further discussed different types of cloud computing. Also he motivated students that cloud computing enables innovation by alleviating the need of innovators to find resources to develop, test, and make their innovations available to the user community. Innovators are free to focus on the innovation rather than the logistics of finding and managing resources that enable the innovation.

At the conclusion of the session the query round was held in which the students got an opportunity to put forward questions to satisfy their curiosity. The overall session was enlightening and the students enjoyed it. Total 156 students were present for this lecture.

Report:- Workshop on "Career Opportunities in Commerce and Management"

A workshop was organized for commerce students' on the topic "career opportunities in commerce and management on 5th April, 2024. For this, famous renowned resource person Dr. Kishor Jagtap, Ex-Principal, Smt C.K Goyal College, Bopodi was invited. On this occasion principal of the college Dr. Pandit Shelke, Vice Principal Dr. Subhash Wavhal, Head of Commerce Department Dr. Kishor Lipare as well as faculty and students of commerce department were present. The program started with the lighting of the lamp and the welcome of the chief guests. After this, Principal Dr. Pandit Shelke asserted that students should focus on career opportunities in commerce and management. Commerce is very broad field in which tremendous opportunities are available. It is necessary to explore all these opportunities and should select right one. In his lecture, Dr. Kishor Jagtap gave a detailed analysis of various opportunities in many fields such as banking, professional examinations i.e. CA, CS, C.M.A., C.F.A, share market, insurance, staff selection exam etc. Vote of thanks was delivered by Head of Department of Commerce Dr. Kishor Lipare. In this workshop, 219 students of commerce department registered their participation.

**Report:- One Day Workshop on "Personality Development
and Career Development"**

A career guidance and personality development workshop was organized for commerce students by the Department of Commerce on 19th August, 2023. For this, famous corporate trainer Prof. Raghavan Iyengar was invited as resource person. The principal of the college Dr. Pandit Shelke, Vice Principal Dr. Subhash Wavhal, Head of Commerce Department Dr. Kishor Lipare as well as faculty and students of commerce department were present. The program started with the lighting of the lamp and the welcome of the chief guests. After this, Principal Dr. Pandit Shelke asserted that students should focus on personality development in their college life, personality development is the development of physical, mental and intellectual abilities, along with personality development, students should choose a suitable career considering their abilities. In his lecture, Raghavan Iyengar gave a detailed analysis of personality development, its various aspects, leadership ability and motivation and also explained in detail the opportunities available to commerce students in CA, CS, Cost Accountant, MBA and banking sector. In this workshop, 168 students of commerce department registered their participation.
