

Criterion 2 - Teaching-learning and Evaluation

Key Indicator 2.3 Teaching- Learning Process

Metric No. 2.3.1

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences.

WAGHIRE BAZAR

WAGHIRE COLLEGE OF ARTS, COMMRECE AND SCIENCE

Waghire Bazaar 2022-2023

Title of the practice: -“Waghire Bazaar 2022-2023”.

Objective of practice:

- To develop innovative ideas, creative thinking & entrepreneurship skills among the students.
- To increase the building activity.
- To ingrain the business ethics and professional skills amongst the student.
- To provide adequate basic understanding about the management and specific skill set amongst the students.
- To improve marketing skill.
- To enhance purchasing and cost capabilities.
- To improve decision making ability.
- Improve the communication skill effectively.
- To make students aware about how to identify the consumer behaviour, how to tackle them effectively.
- To learn/develop the strategy for generating capital, teamwork & co-operative attitude.
- To develop entrepreneurial skills in the students.
- To improve the employability of the students.
- To groom the students personality.
- Develop self confidence in students.
- To improve the practical skills of the student.

The context:

- Presently employment is a choice of self-decision. Acquiring additional skills for employment is a must. Students prefer parallel learning and that saves time. College wants to improve the skill set of students so that they will become employable in good companies.

- Various students have participated in this programme so it becomes easier for the teacher to know the student's skill set.
- Understanding the different learning abilities and capacities of the students.
- Motivating and encouraging them when the students underperform.
- Building an effective communication channel between the teachers-parents-students.

The Practice:

Waghire Bazaar was organized by the Department of Commerce and B.Voc jointly on 19th April 2023. This event aimed to instill programmatic skills like entrepreneurship, communication, and managerial abilities among the students. Within this program, all departments of the college set up a total of 43 stalls featuring various products, services, food items, fruits, jewellery, cosmetic and, psychological games and funny games etc. The students put up stall individually, and in clusters, which enabled them to understand the various entrepreneurial skills such as generating capital, teamwork, co-operative attitude towards a common objective and more importantly profit -sharing. This event aimed to instill programmatic skills like entrepreneurship, communication, and managerial abilities among the students. There was a lot of excitement among participants as creativity at its best was on display. Through this "Waghire Bazaar" participants were learned how to identify the consumer behavior and how to tackle them effectively.

As part of institute initiative we conduct various programs to promote the employability skills of our students. We try make their technical skills are updated and communication and soft skills are in place.

Evidence of success:

Sr. No	Participants	Academic Year	Menu	Results
1	Wagle Machhindra Tamanna Mohan Shelar Pramod	S.Y.B.Com	Biryani	1st Ranked
2	Parkhane Prasad Gophane Rohit Bhongale Bhushan Kumbhar Omkar Bdhe Aniket Potdar Prathamesh Gaikwad Tejas Gurav vaishnavi Wagh samiksha	T.Y.B.Com	Kacchi dabeli	2nd Ranked
3	Urmila Indulkar Sandy Raut Priyanka Dalvi	F.Y.B.Com	Biryani	3rd Ranked

Almost 1500 students have participated in the program along with the faculty members and non- teaching staff.

Problems Encountered and Resources Required: The time management is a major concern as lot of academic and non-academic activities are going in parallel. Crowd management in events is also a challenge, however with mutual coordination of students, faculty and administrative staff, things are being managed.

Waghire Bazaar 2023-2024

Title of the practice: - “Waghire Bazaar 2023-2024”.

Objective of Practice:

- Enhancing entrepreneurship skills among the students and to encourage for self-employment.
- Enable students to use their ideas and creativity to manage the various things.
- Learn various management Skills and aspect.
- Provide opportunities to Students to arrange the various things
- Develop innovative ideas, creative thinking & entrepreneurship skills among the students.
- Increase the building activity.
- Ingrain the business ethics and professional skills amongst the student.
- Provide adequate basic understanding about the management and specific skill set amongst the students.
- Improve marketing skill.
- Enhance purchasing and cost capabilities.
- Improve decision making ability.
- Improve the communication skill effectively.
- Make students aware about how to identify the consumer behaviour, how to tackle them effectively.
- Learn/Develop the strategy for generating capital, teamwork & co-operative attitude.
- Develop entrepreneurial skills in the students.
- Improve the employability of the students.
- Groom the student’s personality.

- Develop self confidence in students.
- Improve the practical skills of the student.

The context:

1. Educational Enhancement:

The bazaar provides students with hands-on experience in entrepreneurship, business management, and customer service. It functions as a practical learning environment where theoretical knowledge from the classroom is applied in real-world scenarios.

2. Economic Empowerment:

Students are given the opportunity to develop their business ideas, sell products, and understand market dynamics. This initiative aims to foster financial independence and entrepreneurial skills among the student community.

3. Community Engagement:

The bazaar is not only for the students but also attracts local residents, fostering a sense of community. It provides a platform for interaction between students and the local population, promoting mutual understanding and collaboration.

4. Skill Development:

Running the bazaar helps students develop various soft skills such as communication, teamwork, and problem-solving. It also enhances their organizational and time-management abilities.

The Practice:

Waghire Bazaar was organized by the Department of Commerce & Research Centre on the occasion of sport day at Pune District Education Association's Waghire College of Arts, Commerce and Science on 12th January 2024. The event aimed to impart programmatic skills like entrepreneurship, entrepreneurial, communication, and managerial abilities among the students. All departments gathered and set up a total of 15 stalls featuring various products, services, food items & various games etc. The students put up stall individually, and in clusters, which enabled them to understand the various entrepreneurial skills such as generating capital, teamwork, co-operative attitude towards a common objective and more importantly profit -sharing. In this activity total 60 students from all branches of the college participate setting up the example for great teamwork and communication skills. There was a lot of excitement among participants as creativity at its best was on display. Through this "Waghire Bazaar" participants were learned how to identify the consumer behavior and how to tackle them effectively.

As part of institute initiative, we conduct various programs to promote the employability skills of our students. We try make their technical skills are updated and communication and soft skills are in place.

Evidence of success:

Sr. No	Participants	Academic Year	Menu	Results
1	Shitole Shravni Jatap Asmita Gobade Jyoti Shinde sharvari	S.Y. B. Com	Thalipeeth	1st Ranked
2	Paigude Rakshanda Jadhav Ashwini Jagtap Utkarsha	T.Y. B. Com	Bhel and Pani puri	2nd Ranked
3	Mehta Kushal Shirke Pranav Shegar Vaibhav	F.Y.B.VOC(RM)	Idli Sambar	3rd Ranked

We observed large number of students have participated in the program along with the faculty members and non- teaching staff.

Problems Encountered and Resources Required:

Efficiently navigating the intricate balance between concurrent academic and non-academic commitments poses a substantial challenge for individuals, necessitating adept time management skills. The orchestration of events introduces an additional layer of complexity, particularly in the realm of crowd management, which emerges as a noteworthy challenge for event organizers. However, these challenges are effectively met through the collaborative efforts of students, faculty, and administrative staff, who engage in mutual coordination. This synergistic approach proves instrumental in successfully addressing and managing the

complexities inherent in time management and crowd control during various activities and events.
