Plant Biodiversity Survey and Pharmacological Importance of Some Medicinal Plants of Vanpuri Village in Purandhar.

Dr. Patankar V.V. and Gurav N. V.

Department of Botany, Waghire college Saswad-412301.

INTRODUCTION

Biodiversity is simply variety in flora and fauna on Earth. Rapid change in climate as well as human interference causes change in biodiversity which is present near to the village area. Vanpuri village is surrounded by hills and lot of greeneries. We surveyed biodiversity of plants to check the natural flora especially the medicinal plants and trees. This region is now days famous for upcoming international airport. This study will throw some light on richness of plant diversity in that region and probable encroachment may disturb this diversity. In this study we have recorded 106 plant species from this village. This area showed diversity of plant species in which majority of them are medicinally important. Given study focused on medicinal importance and active constituents of some medicinal plants present in this area.

MATERIALS AND METHODOLOGY

Survey area: Vanpuri village is located in Purandhar district in Maharashtra, In Maharashtra, India. It is located 6 km away from Saswad and 40km away from district headquarter Pune. The total geographical area is 736 hectares.

Methodology: Plants specimens were collected identified using taxonomical literatures like various regional and national floras and available literature of, Cooke, T. (1901-1908), Ganorkar R. (2013), Hooker J.D (1855), Naik, V.N (1998), Sharma B. D., S. Karthikeyan and N. P. Singh (1996), Singh N. P., and S. Karthikeyan, (2000), Singh, N. P., P. Lakshminarasimhan, S. Karthikeyan, and P. V. Prasanna. (2001), Yadav, S. R., Sardesai, M. M. 2002. The field data such as GPS position, habit, habitat, flower colour, odour, distribution & associated species were documented. Pharmacological and ethnopharmacological data were collected by referencing pharmacopeia and various pharmacological research data.

RESULTS AND DISCUSSION

The survey was carried out, specimens were collected and identified using various floras and literature. We surveyed around 105 plant species available at Vanpuri in month of October.

This place showed biodiversity of plants. Plants diversity list is given in table.1. Some important trees were also studied and their pharmacological information is given in table 2 and photos of some economically important medicinal plants given in Fig. 1.

Table-1: List of plants present in Vanpuri village

Sr. no.	Species name		Species name
1	<i>Delonix regia</i> (Boj. ex Hook.) Raf.	35	<i>Lantana camara</i> L.
2	<i>Asadracta indica</i> A. Juss.	36	<i>Ricinus communis</i> L.
3	<i>Pongamia pinnata</i>	37	<i>Syzygium cumini</i> (L.) Skeels.
4	<i>Dalbergia sissoo</i> Roxb.	38	<i>Artocarpus heterophyllus</i> Lam.
5	<i>Ficus racemosa</i> L.	39	<i>Mangifera indica</i> L.
6	<i>Ficus benghalensis</i> L.	40	<i>Santalum album</i> L.
7	<i>Ficus benjamina</i> L.	41	<i>Cryptostegia grandiflora</i> R. Br.
8	<i>Ficus religiosa</i> L.	42	<i>Vigna angularis</i> (Willd.) Ohwi & H. Ohashi
9	<i>Punica granatum</i> L.	43	<i>Pergularia daemia</i> (Forssk.) Chiov.
10	<i>Nerium indicum</i> Mill.	44	<i>Tinospora cordifolia</i> (Thunb.) Miers
11	<i>Acacia nilotica</i> subsp. <i>indica</i> (Benth.) Brenan	45	<i>Vitex trifolia</i> L.
12	<i>Thespectia lampas</i> (Cav.) Dalzell	46	<i>Ageratum conyzoides</i> L.
13	<i>Coccoloba nucifera</i> L.	47	<i>Moringa oleifera</i> Lam.
14	<i>Annona squamosa</i> L.	48	<i>Tamarindus indicus</i> L.
15	<i>Annona reticulata</i> L.	49	<i>Abutilon indicum</i> L.
16	<i>Albizia lebbekii</i> (L.) Benth.	50	<i>Striga densiflora</i> (Benth.) Benth.
17	<i>Colocasia esculenta</i> (L.) Schott	51	<i>Psidium guajava</i> L.
18	<i>Eucalyptus globulus</i> Labill.	52	<i>Vinca rosea</i> L.
19	<i>Samania saman</i> F. Muell.	53	<i>Mimosa pudica</i> L.
20	<i>Polyalthia longifolia</i> Sonn.	54	<i>Polianthes tuberosa</i> L.
21	<i>Terminalia catappa</i> L.	55	<i>Crotonandra infundibuliformis</i> (L.) Nees
22	<i>Leucaena leucocephala</i> (Lam.) de Wit	56	<i>Mimosa pudica</i> L.
23	<i>Tectona grandis</i> L. f.	57	<i>Euphorbia geniculata</i> L.
24	<i>Cassia thevetia</i> (L.) Lippold	58	<i>Euphorbia hirta</i> L.
25	<i>Crinum asiaticum</i> L.	59	<i>Ziziphus jujube</i> Mill.
26	<i>Hibiscus rosa-sinensis</i> L.	60	<i>Ipomea cordata-triloba</i> Dennst.
27	<i>Achyranthes aspera</i> L.	61	<i>Ipomea nil</i> (L.) Roth
28	<i>Sida acuta</i> Burm. f.	62	<i>Ipomea carnea</i> subsp. <i>fistulosa</i> Mart. ex Choisy.
29	<i>Sida cordifolia</i> L.	63	<i>Lantana camara</i> L.
30	<i>Alternanthera pungens</i> Kunth	64	<i>Ricinus communis</i> L.
31	<i>Duranta erecta</i> L.	65	<i>Syzygium cumini</i> (L.) Skeels.
32	<i>Senna tora</i> (L.) Roxb.	66	<i>Artocarpus heterophyllus</i> Lam.
33	<i>Cassia uniflora</i> Mill.	67	<i>Mangifera indica</i> L.
34	<i>Cassia siamea</i> (Lam.) Irwin et Barneby	68	<i>Santalum album</i> L.
35	<i>Xanthium strumarium</i> L.		<i>Cryptostegia grandiflora</i> R. Br.
36	<i>Celastrus argentea</i> L.	44	<i>Vigna angularis</i> (Willd.) Ohwi & H. Ohashi
65	<i>Mirabilis jalapa</i> L.	83	<i>Plumeria alba</i> L.
66	<i>Bougenvillea spectabilis</i> Willd.	84	<i>Cordia gharaf</i> Lam.
67	<i>Azadirachta indica</i> L.	85	<i>Nyctanthes arbor-tristis</i> L.
68	<i>Tridax procumbens</i> L.	86	<i>Echinops echinatus</i> Roxb.
69	<i>Cynodon dactylon</i> (L.) Pers.	87	<i>Plumbago zeylanica</i> (L.) Spach.
70	<i>Argemone mexicana</i> L.	88	<i>Mukia madraspatana</i> (L.) M. Roem.

71	<i>Datura metel</i> L.	89	<i>Epiphyllum macropterum</i> (Lem.) Britton & Rose
72	<i>Calotropis gigantea</i> (L.) W.T. Aiton	90	<i>Boerhavia diffusa</i> L. nom. cons.
73	<i>Commelina diffusa</i> Burm. f. Burman	91	<i>Mahua parviflora</i> L.
74	<i>Aloe vera</i> (L.) Burm. f.	92	<i>Solanum nigrum</i> L.
75	<i>Lagenaria ciceraria</i> (Molina) Standl.	93	<i>Peltophorum pterocarpum</i> (DC.) K. Heyne
76	<i>Amaranthus viridis</i> L.	94	<i>Bidens biternata</i> (L.) Merr. and Sheriff
77	<i>Alternanthera pungens</i> Kunth	95	<i>Phaseolus vulgaris</i> L.
78	<i>Musa paradisiaca</i> L.	96	<i>Lagotis mollis</i> Cav.
79	<i>Solanum nigrum</i> L.	97	<i>Triumphata rhomboidea</i> Jacq.
80	<i>Trichodesma indicum</i> (L.) P. Br.	98	<i>Launaea procumbens</i> (Roxb.) Ramayya & Rajagopal
81	<i>Cyanotis fasciculata</i> var. <i>fasciculata</i>	99	<i>Indigofera tinifolia</i> var. <i>tinifolia</i>
82	<i>Leucas longifolia</i> Benth.	100	<i>Malvastrum coromandelianum</i> (L.) Garcke
106	<i>Melia azadirachta</i> L.	101	<i>Cajanus cajan</i> (L.) Millsp.
107	<i>Triumfetta rhomboidea</i> Jacq.	102	<i>Agave Americana</i> L.
108	<i>Citrovia ternatea</i> L. var. <i>ternatea</i>	103	<i>Crocus olitorius</i> L.
109	<i>Ocimum tenuiflorum</i> L.	104	<i>Indigofera cordifolia</i> L.
105	<i>Bryophyllum pinnatum</i> (Lam.) Kurz	105	<i>Verbascum virgatum</i> Stokes

All the plants have economical value, there is not a single plant on the earth which does not have any economic value *Adathoda vasica*, *Pergularia dasmia*, *Plumbago zeylanica*, *Boerhavia diffusa*, *Echinops echinatus*, *Lagotis mollis*, *Santalum album*, *Syzygium cumini*, *Malvastrum coromandelianum* are economically important medicinal plants. Our observations after review of literature we also came to the same conclusion that each plant present in the given list showing economical values. In this study we focused on some of economically important plants which has medicinal importance we searched through literature and mentioned about plants biological activities, active components, plant part used etc. given in Table 2.

Table-2: List of some plants and their pharmacological importance present in Vanpuri village

Sr. no.	Species name with GPS location	Family	Plant part used	Active compound present	Medicinal uses with reference
1	<i>Acacia nilotica</i> subsp. <i>indica</i> (Benth.) Brenan N 18°16.626' E 073°58.262'	Mimosaceae	Fruits, Bark, Gum	Aldobionuronic acid, Arabinose, Catechin	Antibacterial, Joint pain, Leucorrhoea (Kasushal 2017)
2	<i>Achyranthes aspera</i> L. N 18°16.394' E 074° 74.908'	Amaranthaceae	Leaf	β -sitosterol, hexatriacontane, 10- octacosanone, betain, betalaine, achyranthine, flavonoids, alkaloids, oleanolic acid, Saponins, Ecdysterone.	Spermicidal Activity, Antiparasitic Activity, anti- inflammatory, anti-arthritis; Anti- oxidant activity, Anti-allergic and Wound Healing Activity (Hasan 2014)

				quercetin-3-O- β -D-galactoside and cardiac glycosides	
3	<i>Adathoda varica</i> Nees N 18°22' 40" E 074° 03' 986"	Acanthaceae	Leaf, Root	Vasicine l-vasicinone, deoxyvasicine, maiontone, vasicinolone and vasicino	Anti-asthmatic activity, Wound healing activity, Anti-ulcer activity, Anti-tubercular activity, Insecticidal activity and Anti-bacterial activity (Kumar et al. 2014)
4	<i>Albizia lebbek</i> (Linn) Benth Pennel N 18°22' 390" E 074° 03' 901"	Fabaceae	Stem bark, Leaves, Flower, Seeds	Bark contains tannins and pseudotannins, friedalin b-sitosterol. Saponins based on echinocystic acids has been reported from the seeds. p-coumaric acid Quercetin Sapogenin Apigenin Echimo cystic acid glycosides and triterpenoids	Traditionally plant is used as anti-asthmatic, antiinflammatory, anti-fertility and anti-diarrhoeal, antiseptic, anti-dysenteric, anti-tubercular, leprosy, paralysis, helmenth infection, Allergic rhinitis, astringent, to treat the eye, psychoactive, fin, lung problems, pectoral problems, cough, gingivitis, abdominal tumors. It is also used in the treatment of ringworms and wounds by washing the affected areas, gonorrhoea, leucorrhoea and other genital diseases. Plant also shows cardio protective effects. Verma et al. (2016)
5	<i>Azadiracta indica</i> A. Juss. N 18°16' 626" E 073° 58' 262"	Meliaceae	Leaf, Stem, Fruits, seeds, Bark	Azadiractin nimbolinin, nimbin, nimbidin, nimbidol, salannin, and quercetin.	Dental plaque, Insect repellent, Ulcers, Peorissia, Fever, Upset stomach, Breathing conditions, Malaria Worms, Head lice. Skin conditions and diseases; Anticancer, anti-diabetic, antioxident activity. (Alzohairi 2016)
6	<i>Bidens biternata</i> (L.) Merr. and Sheriff.	Asteraceae	Whole plant	Polyacetylenic glycosides, aurons, p-coumaric acid derivatives, flavonoids, sesquiterpenes, phenylpropanoid glucosides and diterpenes	It used in traditional medicine against inflammation, infections, diabetes, malaria, leprosy, ulcers and diarrhes and digestive disorders (Zahara et al. 2015)
7	<i>Boerhavia diffusa</i> L.	Nyctaginaceae	Whole plant parts, Roots	Boeravinones G and H, quinolone alkaloid, lunastarine, rotenoids, Beta Sitosterol	Cancer, Kidney and Liver diseases, Lung cancer. (Patil et al. 2017)
8	<i>Clitoria ternatea</i> var. <i>ternatea</i>	Papilionaceae	Leaves, Dried root	triterpenoids, flavonol glycosides, anthocyanins and steroids.	Alzheimer, Elephantiasis, memory enhancing, nootropic, antistress, anxiolytic, antidepressant, anticonvulsant, tranquilizing, and sedative properties

9	<i>Celosia argentea</i> L.	Amaranthaceae	flower and seed	betalains, nicotinic acid, celogenamide A, celogentin A-D, Celogentin-H, moroidin, 5-Methoxy-6,7-methylenedioxy-2-hydroxyisoflavone and its 2'-methoxy derivative, flatiacouyrim	antidiabetic, anti-inflammatory, antioxidant, anti-bacterial, anti apoptosis, antidiarrhoeal, anthelmintic, antiaging, antimalarial, antiplasmodic, hepatoprotective and immunostimulating activities.
10	<i>Commelina diffusa</i> Burm.f.	Commelinaceae	Whole plant	phlobatannins, tannins, glycosides, volatile oils, resins, balsams, flavonoids and saponins, terpenes, sterols, phenols	Diuretic; febrifugal and anti-inflammatory effects, swellings of the skin, leprosy and as a laxative.
11	<i>Desfontia regia</i> (Boj. ex Hook.) Raf N 18°16.626' E 073°58.262'	Cesalpiniaceae	Leaf, Stem, Bark, Seeds	β -sitosterol, stigmasterol, lupeol, epilupeol	Antimicrobial, Anti-diarrhea, Hepatoprotective, Anti-inflammatory, Antioxidant, Antidiabetic, Antibacterial, Carminative, Antipyretic (Suhana et al. 2016)
12	<i>Echinops echinatus</i> Roxb.	Asteraceae	Whole plants, Roots, Seeds and Leaves	Echinopsane, echinopsidine and echinozolinone, Taraxasterol acetate, Apigenin, echinacin and echinaticin, 2',5,7-trihydroxy-3,6-dimethoxy flavone, 7-galactopyranosyl-rhamnopyranoside	Antiinflammatory, hypoglycemic and diuretic, antibacterial and antifungal, antispasmodic (Vashisth et al. 2013)
13	<i>Eucalyptus globulus</i> Labill. N 18°22.398' E 074°03.824'	Myrtaceae	Leaves	cineole which is also known as eucalyptol, pinene, camphene, phellandrene, citronellal and geranyl acetate	Counter irritant, Antiseptic, Expectorant, Relieves cough, Used in chronic bronchitis, Used as inhalation, Ingredient for several liniments and ointments, Eucalyptus oil solution is used as nasal drops, Used to treat rheumatism, swelling, inflammation, skin disorders, stomach disorders, bactericide (wounds, sores). Jay Lee(2016)
14	<i>Euphorbia geniculata</i> L.	Euphorbiaceae	Whole plant	alkanes, triterpenes, phytosterols, tannins,	Antibacterial, anthelmintic, antiasthmatic, sedative,

				polyphenols, and flavonoids	antispasmodic, antifertility, antifungal, and antimalarial
15	<i>Euphorbia hirta</i> L.	Euphorbiaceae	Whole plant	Rutin, quercetin, euphorbin-A-D, kaempferol, gallic acid, protocatechuic acid, β -amyrin, 24-methylenecycloartenol, β -sitosterol, heptacosane, nonacosane, shikmic acid, tunicamycin, choline, camphol, and quercitol	Antibacterial, antiasthmatic, sedative, antispasmodic, Galactogenic activity, antifertility, antifungal, anthelmintic, and antimalarial (Kumar et al. 2010)
16	<i>Ipomea carnea</i> subsp. <i>Fistulosa</i>	Convolvulaceae	Leaf, stem, root, fruit and seeds	coumarins, scopoletin, umbelliferone, lignans, Indole alkaloids, arctigenin, matairesinol and trachelogenin	inflammation, fever, jaundice, biliousness, bronchitis, liver complaints
17	<i>Lagotis mollis</i> Cav.	Asteraceae	Leaves	(\pm)-phytol 1 and lauric amide 3	Wound healing activity
18	<i>Lagenaria siceraria</i> L.	Cucurbitaceae	Fruit	avenasterol, codisterol, elesterol, 4-C-glycosylflavone, Vitexin, C-friedooleanane-type triterpenes,	analgesic, anti-inflammatory, antihyperlipidemic, diuretic, hepatoprotective, anthelmintic, and antibacterial activity (Prajapati et al. 2010)
19	<i>Leucas longifolia</i> L.	Lamiaceae	Dried whole plant, roots, leaf	Alkaloids, Campestrol, Sigmasterol, Tricin, Luteolin, Carvacol, β -sitosterol	Jaundice, Liver disease, insect bite, properties like antifungal, prostaglandin inhibitory, antioxidant, antimicrobial, antinociceptive and cytotoxic activities
20	<i>Malvastrum coromandelianum</i> (L.) Garcke	Malvaceae	Leaves	β -sitosterol	antinociceptive, anti-inflammatory, analgesic, and antibacterial activities (Sanghai et al. 2013)
21	<i>Mimosa pudica</i> L. N 18°22'361" E 074°03'936"	Mimosaceae	Whole plant and leaf extract	Mimosine, Crocetin, 4- α -(β -D-glucopyranosyl-5-sulphate) gallic acid, terpenoids, flavonoids, glycosides, alkaloids, quinine, phenols, tannins, saponins, and coumarins	Wound healing activity, Analgesic and anti-inflammatory activity, Antidiarrhoeal activity, Anti-hepatotoxic activity, Anthelmintic activity
22	<i>Mirabilis jalapa</i> N 18°22'361" E 074°03'936"	Nyctaginaceae	Flower, Roots, leaf, tuber	Betaxanthins, β -sitosterol, stigmasterol, ursolic acid, oleanolic acid, Rotenoids and brassicasterol.	Liver Diseases, Acne, Age spots, diuretic, purgative, Inflammatory action, wound healing

23	<i>Moringa oleifera</i> Lam. N 18°22' 398" E 074° 03.820"	Moringaceae	Leaves, seeds, Bark, Flowers Roots, stem	Niaririn, Isothiocyanate, 4- (alpha-L- rhamnopyranosyloxy) benzylglucosinolate, quercetin, isoquercetin, kaempferol, kaempferitin, Moringine, moringinine	anti-asthmatic, anti-diabetic, hepatoprotective, anti- inflammatory, anti-fertility; anti- cancer, anti-microbial, anti- oxidant activity

CONCLUSION

Our survey concluded that biodiversity of Vanpuri reported 106 plants out of that forty plants studied for their medicinal importance, which has pharmaceutical and ethnomedicinal value. Our study focused on pharmacological properties, biological activities and active compounds of these medicinal plants. *Adathoda vasica*, *Pergularia daemia*, *Plumbago zeylanica*, *Boerhavia diffusa*, *Echinops echinatus*, *Lagotis mollis*, *Santalum album*, *Syzygium cumini*, *Malvastrum coromandelianum* are important medicinal plants. This study will help to correlate the ethnomedicinal uses and its pharmacology.

National Service Scheme

Report on Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari

(June 27 to 30, 2019)

As per the direction of Savitribai Phule Pune University, 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari' was organized at Saswad jointly by N.S.S Department of Waghire College, and Savitribai Phule Pune University. *Sant Dnyaneshwar's palanquin* stayed at Saswad on 28th and 29th June for two days. On this occasion, 810 volunteers from Waghire College and seven colleges in the area participated in 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari' from 27th June to 30th June. On June 27, 1,000 trees were planted by seven colleges. On 28th and 29th June, distribution and collection of leaflets, *Nirmalya* collection of waste and compost manure from *Nirmalya*, awareness, *Nirmal Wari*, Tobacco Free Oath, Street Playa, *Nirmal Wari* were carried out. On June 30, a clean-up operation was carried out in the entire city of Saswad.

Green Wari-Plantation Activities (Dated June 27, 2019)

Savitribai Phule Pune University and Saswad Municipality jointly planted trees at *Falkhital* to welcome Palkhi under 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari' programme. CEO of Saswad Municipal Corporation, Mr. Vinod Jhalak, Shri Manohar Jagtap, Shri Vijay Wadhane, Health Officer Mr. Mohan Chavan College Principal Dr. Nitin Ghorpade were present on this occasion. On this occasion, 775 volunteers from Waghire College and nine colleges in the area planted 1000 neem trees at Palkhi Tal, Water Tank, Wagh Dongar, Acharya Atre Hall, Sopankaka Udyan (Nana Nani Park), Government Hospital, Provincial Office, Market Yard, Taradatta East-West, Cemetery Road and Waghire College Campus.

Swasth Wari-Health Camp (Dated 28th and 29th June, 2019)

N.S.S Department of Waghire College, Savitribai Phule Pune University, Sable College of Pharmacy and Maharashtra University of Health Sciences Nashik jointly organized a two day health camp at Waghire College under 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari'. In this camp, 43 expert doctors of Maharashtra University of Health Sciences conducted free health check-ups of 485 *Warakaris*. The coordinator of this health check-up team, Dr. B. R. Pendharkar, Dr. Piyush Purohit and Dr. Shivr.

Clean Wari - Cleaning of Saswad premises, distribution of free leaflets and collection of

Ushtavali and Nirmalya (Dated June 28, 29, 30, 2019)

Distribution of 200,000 free eco-friendly leaflets in 175 *warakari dials* under Savitribai

Phule Pune University 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari' was done. Compost will also be made by collecting the leaves used for meals. Warkaris responded enthusiastically to this initiative. 555 volunteers participated in this campaign. The students visited Palkhi Tal, Sopankaka Temple, Waghire College Campus, Saswad Bus Stand and other places, met the Dindi Chiefs and informed them about the distribution of free correspondence and appealed them to dispose of the leftovers after use. All the Dindis spontaneously responded to this call. Apart from this, the students collected Nirmalya in the form of garlands, flowers and other forms on the palanquin of Dnyaneshwar Maharaj at Palkhi Tal, Sopankaka Temple and other places. They also collected banana peel and other wet waste and deposited it in Nirmalya Kunda. After the departure of the palanquin, on June 30, all the students cleaned the entire Saswad premises. These mainly included Palkhi Tal, Sant Sopankaka Temple, Saswad Bus Stand, Waghire College and the entire Palkhi Road passing through Saswad city.

Nirmal Wari - Awareness about cleanliness through activities (Dated 28th and 29th June, 2019)

Warkaris should use mobile toilets without going to open toilets so that the N.S.S students enlighten the Warkaris to curb unhygienic conditions and diseases. For this, the N.S.S volunteers distributed about 1000 leaflets in the palkhi base and area of Saswad and enlightened the Warkaris about cleanliness. A total of 138 students from Waghire College and participating colleges participated in the Nirmal Wari initiative.

Other activities - Yoga camp, Jau Devachia village, street play on Police Mitra Prabodhan (dated 28, 29, 30 June, 2019)

1) Yoga camp:

Yoga camp was organized on 29th June at Waghire College under 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari' at Saswad in collaboration with N.S.S Department of Waghire College and Savitribai Phule Pune University. Volunteers, students and Warkari participated in the camp 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari'. Pranayama means Anulom Vilom and meditation, Tadassana, Vrikshasana, Padahasthasana, Trikonasana, Vakrasana, Bhujangasana, Surya Namaskar etc. were performed on the occasion of Yoga Day. Raj Bansode, a yoga expert from Art of Living, gave guidance on the scientific knowledge of yoga, its importance and benefits. At this time, the principal of the college, Dr. Nitin Ghorpade states in his speech that yoga is one of the best gifts of Indian Ayurveda, if you do yoga regularly, you can be free from all ailments.

2) Jau devachiya gava and police friend:

On 28th and 29th June in Wari, the N.S.S Department of the College undertook an innovative initiative to reach the missing Warkaris from their Dindi. Under this initiative, the students took 45 Warkaris and children to their Dindi place. Apart from this, 58 students of N.C.C worked as police friends to maintain discipline and peace in Palkhi Tal and other places. Both these initiatives were appreciated by all the citizens and the police department.

3) Street plays on Prabodhan:

On 28th and 29th June, 28 students of Waghire College performed street plays at Saswad bus stand, Palkhi Tal, Sant Sopankaka Mandir on various socially useful topics such as *Nirmal Wari*, Sanitation, De-addiction and Health. All the Warakaris appreciated to this street play and also appreciated the students. This street play was also noticed by some media.

Closing ceremony of *Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari* was held on June 30, 2019. Dr. Nitin Karmalkar, Vice Chancellor of Savitribai Phule Pune University was invited at this event. He inaugurated the Compost Composting Project and the Vermi composting Project by collecting the leaves distributed in Wari and used for meals. On this occasion, Rajesh Pandey, President of the Management Council of the University, Principal Dr. Sanjay Chakne, Director of N.S.S Prabhakar Desai, Dr. Navnath Tupe, Dr. Sadanand Bhosale, Dr. Mahesh Abale, Principal of the College, Dr. Nitin Ghorpade were also present on the occasion. Vice Chancellor Dr. Nitin Karmalkar appreciated this initiative. Every year there is a huge waste problem in Palkhi. The college has come up with a good answer to this problem and it is a very good project, he said.

The whole program was coordinated by N.S.S Programme Officer Dr. Kishor Lipare, Dr. Sandeep Rathod, Prof. Snehal Solankure, Prof. Dnyaneshwar Jagdale, Prof. Siddharth Ghongade, Prof. Sameer Kumbharkar, Prof. Deepak Jambhale, Prof. Sayali Jagtap, Prof. Sayali Wadhane, Prof. Sunil Shinde, Prof. Sasane; and by Santosh Lonakar.

Tree plantation on the occasion of Hon. Ajitdada Pawar's birthday: (July
22, 2019)

A tree planting camp was jointly organized by N.S.S and N.C.C department of Waghire College, Saswad on the occasion of President of Maharashtra Olympic Association and P.D.E.A's president Hon. Ajitdada Pawar's 22nd July birthday. The chief guest for this was the police inspector of Saswad police station Shri. Hake was invited. At this time, various medicinal plants like *Chinch*, *Mango*, *Custard apple*, *Neem*, *Chafa*, *Kanchan*, *Pangara*, *Apta* were planted by the chief guests. The chief guest of the event Police Inspector Shri M. B. Patil congratulated the college for this commendable initiative being implemented by the college. At this time, students of N.S.S. Department planted a total of 130 trees.

Sangli-Kolhapur Flood Relief Fund Rally

The floods caused by heavy rains in Sangli and Kolhapur districts caused great loss of life and property. More than 30 people lost their lives and thousands of families were displaced. At this time, help started flowing to Sangli and Kolhapur districts from all walks of life. The Central Government and most of the State Governments promised a lot of assistance to these areas. In this, Savitribai Phule Pune University also fulfilled its role of social responsibility and appealed to all the colleges affiliated to the university to contribute their financial and other forms to the university. Responding to this call, Waghire College at Saswad took the initiative and took part in the grief of the flood victims and started raising funds on its behalf. Accordingly, the students of the N.S.S Department of the college staged a grand rally in the entire Saswad city and markets to raise funds. The students of N.S.S collected a total of Rs. 43,500 in the entire Saswad city and markets, appealing to the general public, shopkeepers and mobile vendors to raise funds for the flood victims in Sangli and Kolhapur districts. 228 students of National Service Planning Department participated in the rally.

Special Camp 2019-20
A/P. Kaldari Tal. Purandar, Dist. Pune
(5th to 11th December, 2019)

NSS camps give the students an opportunity to the student community to render service in the society by involving themselves in various social activities. The National service Scheme of Savitribai Phule Pune University and Pune District Education association's Waghire College, Saswad, Tal. Purandar, Dist. Pune jointly organized a Special Camp at Post Kaldari, Tal. Purandar from 5th December to 11th December 2019. In this camp total 150 NSS Volunteers of our college were participated. The motto of this camp was "*Saksham Yuva, Samarth Bharat*". The registration of students was done under guidance of Programme Officers, Dr. Kishor Lipare and Prof. Sameer Kumbharkar and Prof. Snehal Solankure. After registration, the volunteers were distributed six five groups from names of famous forts of Maharashtra viz. Pratapgad, Raigad, Purandar, Sindhudurg, Tikona, Vishalgad. The groups were given the schedule on the first day and the complete planning, rules and regulations were explained to them by Programme Officers Dr. Kishor Lipare on the first day after their arrival.

Inauguration Programme:

The inaugural function was organized on 5th December, 2019 at 3:00 p.m. For Inauguration, Shri Ankush Parkhande, Sarpanch of Kaldari village and Principal Dr. Sushama Bhosale were present as a Chief Guest. In addition to that other Programme Officer Dr. Kishor Lipare, Prof. Sameer Kumbharkar and Prof. Snehal Solankure, Other villagers of Kaldari village were also present on this occasion.

The camp was inaugurated at the hands Principal Dr. Sushama Bhosale and Sarpanch Shri Ankush Parkhande. The guests were felicitated by Principal Dr. Sushama Bhosale by presenting books to them. Programme Prof. Sameer Kumbharkar gave introductory speech regarding the outline of camp. In his address, Chief Guest of programme, Sarpanch Shri Ankush Parkhande explained the need and benefits of special camps at village level. He gave best luck to NSS Volunteers for best work in village. Principal Dr. Sushama Bhosale highlighted the objective of the camp, importance of Scientific Survey approach at rural level and role of NSS volunteers in this campaign. She briefed about the planning and activities of the camp to the students and the guests. At the end of the programme, Vote of Thanks was presented by Dr. Snehal Solankure. The programme was anchored by Dr. Kishor Lipare.

Lecture Sessions:

During the camp, there were various lectures organized by the College. Eminent and Personalities came and guided the students. The details regarding these lectures are as follows; On 6th December, the first lecture of Mr. Prashant Boravake, Coordinator, Gram Gaurav Pratishtan, Purandar was organized on the topic "The Organic Farming". He motivated students for saving water and proper use of water by giving his own example. He explained his own work performed in various villages in Purandar Tahasil. On 7th December, Shri Ankuush Parkhande, Sarpanch of Kaldari village, delivered a lecture on "Sustainable Rural Development". He explained in details the measures of rural development. He shared his own experiences. On 8th December, Shri Pramod Parkhande, Social activist of Kaldari village delivered a lecture on "Role of Samabhai Maharaaj in rural development". On 9th December, Prof. Sanjay Landge delivered lecture on "Personality Development". He explained various tricks of personality development for students.

Scientific Surveys:

Various scientific surveys were carried out by many professors of various departments of Waghire Collge, Saswad. These surveys were conducted by Dr. Madbhavikar from Departments of Zoology, Dr. Vidya Patankar from Botany Department, Prof. Hrish Bhutkar, Prof. Pawar and Prof. Mahesh Kale from Department of Geography, Prof. P.P. Musale and Prof. Rane S.M. from Department of Microbiology, Prof. Prof. Patil and Prof. Sangita Deokar from Psychology Department, Prof. Shaila Dhotre from Department of Chemistry. The conclusions, results and suggestions were immensely valuable for the villagers some of these are as follows; Study of village with special reference to agricultural practices, irrigation system, Domestic animal and their impact on soil fertility and crop productivity. Scientific survey of terrestrial and aquatic of the village and analysis of Microorganism from village. GPS Survey and data generated through this activity will be incorporated in Geographic Information System (GIS). Survey on Flora fauna at Vanpuri surrounding, Analysis of Soil and Water of the village, Home Adjustment of Students with their Health, Emotional and Social Adjustment.

Yoga and Exercise

The art of practicing yoga helps in controlling an individual's mind, body and soul. It brings together physical and mental disciplines to achieve a peaceful body and mind; it helps manage stress and anxiety and keeps you relaxing. It also helps in increasing flexibility, muscle

strength and body tone. Considering these all benefits, NSS volunteers were encouraged to participate in Yoga and Exercise activity in early morning.

Shramdan:

Volunteer dug Pits on hillocks and along the roadside for tree plantation which helped to conserve the soil and water and increase vegetative growth. Similarly during the camp NSS Volunteers were actively involved in cleanliness activities during the school campus, village campus, and Gram Panchayat campus were cleaned. Rally regarding cleanliness and save girls was also organized in the village.

Construction of *Wanrai Bandhara*:

One of the achievements of the NSS special camp is a building up of *Wanrai Bandhara* by the volunteers on 7th and 8th December. By following the motto of NSS *Not Me But You* the camp was successful in giving a contribution to the rainwater harvesting techniques of the government and come out with a sustainable work with adequate water collecting capacity.

Social Awareness Rally and Street-Plays:

Program Officers took an initiative to organize a rally in order to create awareness amongst the Local residents regarding the cleanliness and personal hygiene as per the motto of the camp *Swacha Bharat, Swasth Bharat*. Students gave slogans and personally interacted with the people and made it sure that they understood the importance of the cleanliness. They performed some Street-plays through which they tried to show how people deliberately throw the household garbage to the river, make the roadside dirty, spit here and there etc. The ignorance of the people may cause various diseases and how to get rid of those habits were nicely presented through the acts.

Breakfast and Meal:

The Breakfast, Lunch and Dinner were served in the camp, prepared by the non teaching staffs and served by the volunteers. Each day one group was given the responsibility of meal and another group was taking care of cleanliness. Breakfast and Menu card for each day was prepared in advance and accordingly executed the same.

Cultural Programmes:

A Street-play competition was held on 6th December, 2019 in which all the 6 groups presented their street-plays. The students, through the street plays, exhibited different aspects of life, like Cleanliness, Myths and Misbeliefs, Save Girl Child, Conservation of Water, Corruption etc. There was Idol Making Competition on 7th December, 2019. Group and Solo

Song Competition on 8th December, 2019, Group Dance Competition on 9th December, 2019. All the teams performed well. Through the cultural programmes, students get relaxed and refreshed after the busy day, forgetting their tiredness, they enjoyed and participated actively in those events.

Valedictory Programme:

The valedictory function was held on 11th December, 2019. For this programme, Shri Ankush Parkhande, Sarpanch of Kaldari village, Principal Dr. Sushama Bhosale, Vice Principal Dr. Satish Bongane, Prof. Kailas Memane and villagers of Kaldari village were present. The guests were welcomed and felicitated by Principal Dr. Sushama Bhosale through presenting books to them. The introductory speech was delivered by Programme Officer Dr. Kishor Lipare. In his speech, he explained in detail various activities and programmes conducted in the camp. Sarpanch of Kaldari Village Shri Ankush Parkhande in his speech told the students about importance of NSS and how NSS has a positive role in building the personality of students. He told that NSS creates social awareness in students and make them more responsible. In his address, Principal Dr. Sushama Bhosale told about various activities performed and organized during the camp. She gave detailed information about the lectures and awareness programmes conducted in camp.

The session was followed by prize distribution. The guest felicitated the best group as, best volunteer (male and female), first and second winner of cultural competition with books. After this, some of students presented their feedback and views regarding the camp. They expressed their thanks towards the University, College, Principal and the organizing team for such a nice and well organized camp. They told that they learnt many new things from this camp. During the cleaning activity, no student was seen to complain for picking up garbage or waste materials. They actively participated in all activities. They actively participated and learnt during the surveys. The Valedictory Function was concluded with the Vote of thanks presented by Prof. Sameer Kumbharkar. The program was organized by Program Officers Dr. Kishor Lipare, Prof. Sameer Kumbharkar and Prof. Snehal Solankure and the members of the NSS team Prof. Sidharth Ghongade were present to grace the occasion.

Dr. Kishor Lipare

Plant Biodiversity Survey and Pharmacological Importance of Some Medicinal Plants of Kaldari Village in Purandhar.

Dr. Patankar V.V., Sawant S. S. and Gurav N. V.
Department of Botany, Waghire college Saswad-412301.

INTRODUCTION

Biodiversity is simply variety in flora and fauna on Earth. Rapid change in climate as well as human interference causes change in biodiversity which is present near to the village area. Kaldari village is surrounded by hills and lot of greeneries. We surveyed biodiversity of plants to check the natural flora especially the medicinal plants and trees. This region is now days famous for upcoming international airport. This study will throw some light on richness of plant diversity in that region and probable encroachment may disturb this diversity. In this study we have recorded 106 plant species from this village. This area showed diversity of plant species in which majority of them are medicinally important. Given study focused on medicinal importance and active constituents of some medicinal plants present in this area.

MATERIALS AND METHODOLOGY

Survey area: Kaldari is a Village in Purandar Taluka in Pune District of Maharashtra State, India. It belongs to Desh or Paschim Maharashtra region. It belongs to Pune Division. It is located 39 KM towards South from District head quarters Pune. 14 KM from Putandar.

Methodology: Plants specimens were collected identified using taxonomical literatures like various regional and national floras and available literature of, Cooke, T. (1901-1908), Ganorkar R. (2013), Hooker J.D (1855), Naik, V.N (1998), Sharma B. D., S. Karthikeyan and N. P. Singh (1996), Singh N. P., and S. Karthikeyan, (2000), Singh, N. P., P. Lakshminarasimhan, S. Karthikeyan, and P. V. Prasanna. (2001), Yadav, S. R., Sardesai, M. M. 2002. The field data such as GPS position, habit, habitat, flower colour, odour, distribution & associated species were documented. Pharmacological and ethnopharmacological data were collected by referencing pharmacopeia and various pharmacological research data.

RESULTS AND DISCUSSION

The survey was carried out, specimens were collected and identified using various floras and literature. We surveyed around 100 plus plant species available at Kaldari in month of October.

This place showed biodiversity of plants. Some important trees were also studied and their pharmacological information is given in table.1 and photos of some economically important medicinal plants given in Fig. 1.

All the plants have economical value, there is not a single plant on the earth which does not have any economic value. *Adathoda vasica*, *Pergularia daemia*, *Senecio bombayensis*, *Plumbago zeylanica*, *Salvinia*, *Beslerhovia diffusa*, *Hibiscus tiliaceous*, *Echinops echinatus*, *Logatcea mollis*, *Santalum album*, *Syzygium cumini*, *Malvatum coromandelianum* are economically important medicinal plants. Our observations after review of literature we also came to the same conclusion that each plant present in the given list showing economical values. In this study we focused on some of economically important plants which has medicinal importance we searched through literature and mentioned about plants biological activities, active components, plant part used etc. given in Table 1.

Table-1: List of some plants and their pharmacological importance present in Kaldari village

CONCLUSION

Our survey concluded that biodiversity of Kaldari reported 65 medicinally important plants. These plants were studied for their medicinal importance, which has pharmaceutical and ethnomedicinal value. Our study focused on pharmacological properties, biological activities and active compounds of these medicinal plants: *Adathoda vasica*, *Pergularia daemia*, *Plumbago zeylanica*, *Boerhavia diffusa*, *Echinops echinatus*, *Lagascea mollis*, *Santalum album*, *Syzygium cumini*, *Mahavratrum coromandelianum* are important medicinal plants. This study will help to correlate the ethnomedicinal uses and its pharmacology.

University level special NCC Camp Report

The Special NCC Camp organised from 5th June to 10th June 2019 aimed to enhance leadership skills, promote discipline, and provide specialized training to NCC cadets. The camp was designed to offer intensive training in various aspects of NCC activities, including physical fitness, adventure sports, and leadership development.

Student Welfare Board, Savitribai Phule Pune University, Pune sponsored 06 days university level special NCC camp was organized in Waghire college, Saswad. The camp was inaugurated by Brig. Sunil Bodhe, Group Commander, NCC Pune and Dr. Nitin Karmalkar, Vice Chancellor, Savitribai Phule Pune University, Pune. 55 Cadets from our college and 44 cadets from other colleges participated in the camp.

The Special NCC Camp achieved its objectives by providing cadets with a comprehensive training experience that enhanced their leadership skills, physical fitness, and overall discipline. The diverse range of activities and workshops facilitated personal growth and fostered a spirit of camaraderie among participants.

Sant Dnyaneshwar Maharaj Palkhi
Report

The Harit Wari Nirmal Wari Celebration was organized on 29th & 30th June 2019 to promote environmental awareness and cleanliness within the community. The event aimed to encourage active participation in tree plantation, waste management, and sustainable practices, reflecting a commitment to environmental conservation and public health.

The procession of Sant Dnyaneshwar Maharaj Palkhi Sohla took two days halt in Saswad. Savitribai Phule Pune University, Pune organized Harit Wari Nirmal Wari activity and 1000 Neem trees were planted in Saswad and nearby areas. 775 NSS volunteers and 30 NCC Cadets helped Saswad Municipal workers in collecting garbage and cleaning Saswad and surrounding area.

The Harit Wari Nirmal Wari Celebration successfully achieved its objectives of promoting environmental stewardship and community involvement. The event fostered a sense of collective responsibility towards maintaining a clean and green environment. Participants demonstrated a high level of engagement and enthusiasm, contributing to the overall success of the celebration.

Kamalgad Fort Trekking
Report

The Fort Trekking Expedition organised on 21st November 2019 aimed to promote outdoor adventure, historical appreciation, and physical fitness among participants. The trek provided an opportunity to explore historical fortifications, enjoy natural landscapes, and build teamwork skills.

One day trekking on Kamalgad fort was organized under guidance of Shri. Kailash Bagal, Founder, Sahyadri Trekkers, Satara. Altitude (Height) of the fort is 4511 ft from sea level and 16 km distance was covered during this adventurous trek. Organizers gave useful information on medicinal plants and snakes found in the area. 82 cadets and 05 teaching staff participated in the event.

The Fort Trekking Expedition was a successful event that combined adventure with historical education. Participants enjoyed exploring the fort, engaging in team-building activities, and learning about the site's historical significance. The trek not only promoted physical fitness but also fostered appreciation for historical preservation and outdoor exploration.

Tree Plantation and Mask Distribution on the occasion of Hon. Birthday of Ajitdada Pawar

On the occasion of Deputy Chief Minister of Maharashtra and President of Pune District Education Association Hon. Ajitdada Pawar's birthday, various activities were organized by Waghire College from 22nd July, 2021. The National Service Scheme played an important role in this. On 22nd July, N.S.S Volunteers planted trees in the area where they live and some of the students voluntarily donated blood in their village and also distributed masks to the needy people in the current Corona situation. In this, 38 students planted about 172 different fruit trees. Also, tree planting was done in the college premises by the Principal Dr. Sushma Bhosale. N.S.S. Programme Officer Dr. Kishor Lipare, Student Development Officer Dhakne, Librarian Prof. Dattatraya Sankapal, Prof. Sameer Kumbharkar, Office Superintendent Shri. Ashok Kondavale, Shri B.Y. Patil as well as other teachers, non-teaching staff and students were present.

Sangli-Kolhapur Flood Relief Fund Rally

The floods caused by heavy rains in Sangli and Kolhapur districts caused great loss of life and property. More than 30 people lost their lives and thousands of families were displaced. At this time, help started flowing to Sangli and Kolhapur districts from all walks of life. The Central Government and most of the State Governments promised a lot of assistance to these areas. In this, Savitribai Phule Pune University also fulfilled its role of social responsibility and appealed to all the colleges affiliated to the university to contribute their financial and other forms to the university. Responding to this call, Waghire College at Saswad took the initiative and took part in the grief of the flood victims and started raising funds on its behalf. Accordingly, the students of the N.S.S Department of the college staged a grand rally in the entire Saswad city and markets to raise funds. The students of N.S.S collected a total of Rs. 43,500 in the entire Saswad city and markets, appealing to the general public, shopkeepers and mobile vendors to raise funds for the flood victims in Sangli and Kolhapur districts. 228 students of National Service Planning Department participated in the rally.

Waghire College of Arts, Commerce and Science, Saswad Distribution of masks and anti-immune pills to the police officers of Saswad Police Station on the occasion of the anniversary of the Pune District Education Association: (September 7, 2020)

N.S.S Department of Waghire College, Saswad distributed masks and anti-immune pills to the police officers of Saswad police station on 7/9/2020 on the occasion of the anniversary of the Pune District Education Association. The event was organized by the N.S.S Department of the college to honor and express gratitude for the work of the police personnel on the occasion of this day. At this time, the police inspector of Saswad police station, Shri D.S. Hake, Principal Dr. Sushma Bhosale, N.S.S. Program Officer Kishor Lipare, police officers from Saswad police station and 12 N.S.S Volunteers were present. The program started with welcome and introductory remarks. After this, Police Inspector of Saswad Police Station Shri D.S. Hake and his colleagues were given masks and immune-boosting pills by Principal Dr. Sushma Bhosale. After this, in our speech, Shri D.S. Hake thanked Waghire College for this commendable initiative and promised to continue its contribution to the society. After this, in his speech, Principal Dr. Sushma Bhosale said that in the current critical situation of corona, police are playing their role as corona warriors, their work is the only way to maintain peace and order in the society. Therefore, Waghire College has made a small effort to glorify the work of the police through this program. He said that in future also some social activities will be carried out jointly by Waghire College and Saswad Police Station. The program was anchored and thanked by Dr. Kishor Lipare.

मराठी भाषा संवर्धन पंधरवडा: पुस्तक वाचन व परीक्षण कार्यशाळा

(दि. २७ जानेवारी २०२०)

पुणे जिल्हा शिक्षण मंडळाचे वाधीर महाविद्यालय सासवड, विद्यार्थी विकास मंडळ, मराठी विभाग, ग्रंथालय विभाग व राष्ट्रीय सेवा योजना यांच्या संयुक्त विद्यमाने २७ जानेवारी २०२० रोजी मराठी भाषा संवर्धन पंधरवडा निमित्त पुस्तक वाचन व परीक्षण कार्यशाळेचे (Online via Google Meet) आयोजन करण्यात आले होते. या कार्यशाळेचे अध्यक्षस्थान महाविद्यालयाचे प्राचार्य डॉ. सुधमा भोसले भूषवले. तसेच या कार्यशाळेत मराठी विभाग प्रमुख डॉ. प्रवीण ससाणे, ग्रंथपाल प्रा. दत्तारय संकपाळ व डॉ. नाना झगडे यांनी मार्गदर्शन केले.

कार्यक्रमाचे प्रमुख वक्ते डॉ. प्रवीण ससाणे यांनी त्यांच्या व्याखानातून मराठी भाषेचे संवर्धन करणे कसे गरजेचे आहे त्याचबरोबर मराठी साहित्य वाचन का व कसे करावे या विषयावर बहुमोल असे मार्गदर्शन केले. मराठीला अभिजात भाषेचा दर्जा मिळविण्यासाठी मराठीचा नवीन माध्यमातूनही जास्तीत जास्त वापर व्हायला हवा. सध्या समाजमाध्यमांमध्ये मराठी भाषेचा सर्वाधिक वापर होत असून समाजमाध्यमावरील मराठी संवादात देवनागरी लिपीच्या वापराचा टक्का वाढत आहे. ही स्थापानाची बाब आहे. असे प्रतिपादन ग्रंथपाल प्रा. दत्तारय संकपाळ यांनी केले. डॉ. नाना झगडे यांनी अतिशय थोडक्या शब्दात मराठी भाषेचा इतिहास सांगण्याचा प्रयत्न केला.

कार्यक्रमाचे अध्यक्ष महाविद्यालयाचे प्राचार्य डॉ. सुधमा भोसले यांनी आपल्या अध्याक्षीय मनोगतात सांगितले कि मराठी शास्त्रज्ञ डॉ. जयंत नारळीकर, डॉ. विजय भटकर, डॉ. रघुनाथ मासोलकर, हे मराठी माध्यमातूनच शिकले आणि जागतिक स्तरावर पोचून त्यांनी मातृभाषेचे महत्त्व अप्रत्यक्षपणे अधोरेखित केले आहे. हेच आज आपल्या घरातील मुलांना शिकवणे गरजेचे आहे. त्यामुळे किमान आपापसात आणि पालकांनी घरात, कुटुंबात मराठीत बोलावे असे आवाहन त्यांनी केले. कार्यक्रमाचे प्रस्ताविक डॉ. किशोर लिपारे यांनी केले तर आभार विद्यार्थी विकास अधिकारी डॉ. ढाकणे आर बी यांनी मानले.

INDEPENDENCE CELEBRATION

DATE- 15/8/2020

Independence Day is a celebrated in many countries to mark the anniversary of their independence from colonial rule or foreign domination. For example:

- The day is marked by fireworks, parades, barbecues, and patriotic displays.
- In India, Independence Day is observed on August 15th, marking the end of British rule in 1947. The day is celebrated with flag hoisting ceremonies, parades, and cultural events.

In our college, Independence day celebrated with all college staff because of covid situation. All rules and regulations were followed during situations.

Adoption of Constitution of India- Republic Day

DATE- 26 January 2021

Republic Day is a national holiday celebrated in several countries, but the most notable observance is in India. In India, Republic Day is celebrated on January 26th each year. This date commemorates the adoption of the Indian Constitution in 1950, which marked the transition of India from a British Dominion to a republic.

The day is marked by a grand parade in the capital city, New Delhi, showcasing India's military might, cultural diversity, and achievements. The President of India presides over the celebrations, which also include the presentation of awards and honors. Various states and cities across the country hold their own ceremonies, featuring flag hoisting, cultural performances, and patriotic events. Some NCC cadets perform on college ground.

The day is a reminder of India's democratic values and the importance of the Constitution in shaping the nation.

Total 112 cadets participated in this event.

Independence Celebration Report

Independence Celebration Report

The Independence Celebration held at our college on August 15, 2021, was a remarkable event that honored our nation's journey to freedom and the values we hold dear. The day began with a flag-hoisting ceremony, where the college principal, Dr. Ayesha Khan, delivered an inspiring speech about the significance of independence and the role of youth in shaping the future.

Following the flag-hoisting, a series of activities were organized, including patriotic performances, cultural exhibitions, and a debate on the theme "The Role of Youth in Nation Building." The cultural performances featured traditional dances, music, and recitations of poems that highlighted the rich heritage and sacrifices made by our forefathers.

A highlight of the event was the art exhibition, where students showcased their creative interpretations of independence through paintings, sculptures, and digital art. This exhibition not only demonstrated the artistic talent of our students but also their deep connection to the theme of freedom and self-expression.

The debate saw enthusiastic participation from students across different departments, with thought-provoking arguments and insightful discussions. The winning team, comprising Aisha Verma and Ravi Patel, emphasized the need for active engagement in societal issues to ensure continued progress.

The celebration concluded with a grand luncheon featuring traditional Indian cuisine, where students, faculty, and staff gathered to share in the spirit of unity and national pride. Overall, the Independence Celebration was a resounding success, fostering a deeper appreciation for our nation's heritage and inspiring everyone to contribute positively to its future. Total cadet participation 120.

Tree Plantation : NCC Day Celebration Report

Tree Plantation (NCC Day Celebration)

On August 8, 2021, our college celebrated National Cadet Corps (NCC) Day with a significant tree plantation drive, underscoring the NCC's commitment to environmental stewardship and community service. The event began with a brief ceremony at the college grounds, where Colonel Rajeev Sharma, the guest of honor, highlighted the importance of integrating environmental conservation into our daily lives and the role of NCC cadets in leading such initiatives.

The day's activities included the planting of over 200 saplings around the college campus. With 85 NCC cadets, along with students and faculty members, enthusiastically participated in the event. The saplings planted included a mix of native trees and shrubs, chosen to enhance biodiversity and contribute to the ecological health of our environment.

Each cadet was assigned a tree to plant, and the process involved careful digging, planting, and watering, ensuring that each sapling had the best start possible. The cadets were also provided with educational materials about tree care and the long-term benefits of maintaining green spaces.

The event was not only a demonstration of environmental responsibility but also an opportunity for team building and leadership development among the cadets. To conclude the day, a brief assembly was held where the participants shared their experiences and reflections on the importance of such initiatives.

The tree plantation drive was a successful and impactful event, reflecting the NCC's dedication to fostering environmental consciousness and community engagement. The newly planted trees are expected to contribute to a greener and healthier campus for years to come.

Cross Country competition : NCC Day Celebration
Report

Cross Country competition (NCC Day Celebration)

On August 8, 2021, our college marked National Cadet Corps (NCC) Day with an exhilarating cross-country competition, embodying the NCC's values of endurance, teamwork, and discipline. The event began with an opening ceremony led by Major General Anil Kapoor, who emphasized the significance of physical fitness and perseverance in both personal and professional realms.

The competition featured a challenging 10-kilometer race through varied terrain, including trails, hills, and open fields, designed to test the participants' stamina and resilience. Cadets from different units, along with students and faculty members, lined up at the starting point, eager to showcase their athletic abilities.

The race commenced at 9 AM, with participants navigating the rugged course and pushing their limits. Spectators cheered from various points along the route, providing much-needed encouragement and boosting the competitors' spirits. Water stations were strategically placed to ensure hydration and support throughout the race.

After a grueling and intense competition, Arjun Mehta of the NCC Air Wing emerged as the overall winner, completing the course in record time. The top three finishers were awarded medals and certificates during the closing ceremony. Special recognition was given to the best-performing female and male cadets, as well as to the unit with the highest overall participation and team spirit.

The cross-country competition was not only a test of physical endurance but also a celebration of camaraderie and sportsmanship. The event concluded with a motivational speech by Major General Kapoor, who praised the participants for their dedication and encouraged them to continue striving for excellence in all aspects of life. The day highlighted the NCC's commitment to fostering both physical and mental resilience among its members. Total Cadets Participation 83.

Cycle Rally : Health Awareness Report

Cycle Rally

The National Cadet Corps (NCC) at our college organized a vibrant Cycle Rally on 5th Sep 2021 to promote health and fitness, aligning with the NCC's mission of encouraging physical well-being and community engagement. The event, themed "Ride for Health," aimed to raise awareness about the benefits of regular exercise and sustainable living.

The rally began at 7 AM with a ceremonial flag-off at the college grounds. The event was graced by Dr. Neulam Agarwal, a renowned fitness expert, who emphasized the importance of integrating physical activity into daily routines for overall health. She also highlighted how cycling contributes to both physical fitness and environmental sustainability.

Over 150 participants, including cadets, students, and faculty members, took part in the rally. The route covered a 20-kilometer stretch through scenic parts of the city, including parks and landmarks. Cyclists were divided into groups to ensure safety and encourage camaraderie throughout the ride.

The rally featured several checkpoints where participants could rest, hydrate, and receive health tips from fitness experts. At these stations, they were also given informational pamphlets on the benefits of cycling and maintaining an active lifestyle.

Upon completing the route, a closing ceremony was held at the college, where certificates of participation were awarded. Dr. Agarwal delivered a motivational speech on the long-term health benefits of regular exercise and the positive impact of communal activities on well-being.

The Cycle Rally was a resounding success, fostering a spirit of health-consciousness and teamwork. It effectively demonstrated the NCC's dedication to promoting a healthy lifestyle while also strengthening community bonds. The event concluded with a group photo and refreshments, celebrating the participants' commitment to health and fitness.

43. Trekking : Health Awareness Report

Trekking

The National Cadet Corps (NCC) at our college organized an invigorating trekking event to raise awareness about health and wellness on 11th Sep 2021. The event, dubbed "Trek for Health," was designed to highlight the benefits of outdoor physical activity and encourage a healthier lifestyle among participants.

The trek began at 6:30 AM, with over 100 cadets, students, and faculty members setting out from the college campus to the scenic trails of the nearby hills. The event was flagged off by Colonel Arvind Rao, who spoke about the significance of integrating physical fitness into daily routines and the positive effects of nature on mental health.

Participants embarked on a 12-kilometer trek through diverse terrain, including forest trails, rocky paths, and gentle slopes. The route was carefully chosen to offer both a physical challenge and a serene environment, allowing participants to experience the natural beauty and tranquility of the area.

Along the trek, several health and fitness stations were set up where experts provided information on the benefits of regular exercise, proper hydration, and nutritious eating. Brief talks and demonstrations on stretching exercises and injury prevention were conducted to ensure participants were well-prepared for the trek and understood the importance of proper physical care.

Upon reaching the summit, participants enjoyed a brief rest and were treated to a healthy picnic featuring fruits, nuts, and whole-grain snacks. The panoramic views and the sense of accomplishment were celebrated with group photographs and reflections on the journey.

The trek concluded with a closing ceremony back at the college, where participants shared their experiences and received certificates of participation. The event was praised for its successful combination of physical activity, educational content, and community spirit. It reinforced the NCC's commitment to promoting health awareness and fostering a culture of fitness and well-being among its members.

Fitness Awareness: Suryanamaskar Report

Fitness Awareness-Suryanamaskar

The National Cadet Corps (NCC) at our college hosted a special fitness awareness session focusing on Surya Namaskar (Sun Salutation) as part of its health promotion initiatives. The event, titled "Surya Namaskar for Health Awareness," aimed to educate participants on the benefits of this ancient yoga practice and encourage its incorporation into daily routines on 24th Sep 2021.

The session commenced at 7 AM on the college grounds, with a gathering of over 80 cadets, students, and faculty members. The event was inaugurated by Dr. Meera Sharma, a distinguished yoga instructor, who delivered a brief speech on the holistic benefits of Surya Namaskar, including its positive effects on physical health, mental clarity, and overall well-being.

Dr. Sharma led a comprehensive workshop demonstrating the 12 postures of Surya Namaskar. Participants were guided through each posture with detailed explanations on proper technique, breathing patterns, and alignment. The session emphasized the importance of mindfulness and body awareness during practice.

Following the demonstration, attendees practiced Surya Namaskar in unison, performing several cycles to experience its rhythm and benefits firsthand. Health experts provided tips on how to integrate this practice into daily routines, stressing its accessibility and effectiveness for improving flexibility, strength, and stress management.

To conclude the session, a Q&A segment allowed participants to discuss their experiences and ask questions about yoga practices. Refreshments, including fresh fruit and herbal tea, were served, promoting the importance of balanced nutrition in supporting a healthy lifestyle.

The event was a resounding success, with participants expressing increased enthusiasm for incorporating Surya Namaskar into their fitness routines. The session effectively highlighted the NCC's commitment to fostering health awareness and providing practical tools for enhancing overall well-being.

Plastic waste segregation from Fort Malhargad and Waste Disposal:
Swachh Bharat Abhiyan
Report

Plastic waste segregation from Malhargad Fort and waste disposal

The National Cadet Corps (NCC) at our college undertook a significant initiative as part of the Swachh Bharat Abhiyan: a plastic waste segregation and disposal drive at Fort Malhargad on 7th Oct 2021. This event aimed to promote environmental cleanliness and raise awareness about effective waste management practices. The day began early with a briefing session where Lieutenant Colonel Rajesh Kumar emphasized the importance of plastic waste management in preserving our environment. The event was part of a broader effort to support the Swachh Bharat Abhiyan, a national cleanliness drive aimed at fostering a cleaner and healthier India. A team of 100 NCC cadets, along with local volunteers and faculty members, gathered at Fort Malhargad, a historical site known for its natural beauty and cultural significance. The participants were divided into groups, each responsible for different tasks: collecting plastic waste, segregating it into categories such as recyclables, non-recyclables, and hazardous materials, and preparing it for proper disposal. Throughout the day, cadets collected a significant amount of plastic waste from various areas around the fort, including trails, picnic spots, and the fort's surrounding environment. They used color-coded bins for segregation to ensure that each type of waste was handled correctly. The collected waste was then sorted, and recyclables were prepared for transfer to local recycling facilities.

Educational workshops were held on-site to inform participants and visitors about the environmental impacts of plastic waste and the importance of responsible disposal practices. Demonstrations on how to reduce plastic use and alternatives to single-use plastics were also provided.

The event concluded with a review session where cadets reflected on their experiences and the day's achievements. A closing address by the event coordinator praised the efforts of all participants and highlighted the positive impact of their work on the cleanliness and preservation of Fort Malhargad.

The plastic waste segregation and disposal drive was a valuable contribution to the Swachh Bharat Abhiyan, showcasing the NCC's dedication to environmental sustainability and community service. The initiative not only helped clean a significant historical site but also fostered greater awareness and commitment to responsible waste management practices among all participants.

Celebration Indo-Pak 1971-War
Report

Celebration Ind-Pak 1971-War

Our college's National Cadet Corps (NCC) hosted a commemorative event to celebrate the 1971 Indo-Pak War 3rd Dec 2021 and honor the valor and sacrifices of the armed forces during this pivotal moment in history. The event was organized to educate cadets and students about the significance of the war and to foster a sense of national pride and appreciation for our military heritage.

The celebration commenced with an opening ceremony in the college auditorium, attended by cadets, faculty, and local veterans. Brigadier General Vikram Singh, the chief guest, delivered an inspiring keynote address highlighting the strategic and humanitarian aspects of the 1971 war. He emphasized the courage of the soldiers and the unifying effect of the war on the nation.

The event featured a series of activities designed to engage and educate the audience. A historical presentation provided a detailed overview of the events leading up to, during, and after the war. The presentation included archival footage, photographs, and personal anecdotes from veterans, offering a comprehensive view of the conflict and its impact.

Following the presentation, a panel discussion was held with veterans and military historians, who shared their insights and answered questions from the audience. The discussion covered various facets of the war, including its strategic importance, the humanitarian mission in Bangladesh, and the post-war implications for South Asia.

A cultural segment included performances of patriotic songs and a dramatic reenactment of key moments from the war. These performances were followed by a short film tribute that celebrated the bravery and sacrifices of the soldiers. The event concluded with a ceremonial wreath-laying at a memorial dedicated to the 1971 war heroes, accompanied by the playing of the national anthem. Cadets and attendees observed a moment of silence to honor the fallen soldiers. The celebration of the Indo-Pak War 1971 was a profound and educational experience, reinforcing the values of courage, sacrifice, and national pride among the participants. It also served as a reminder of the significant historical events that have shaped our nation's identity and fostered a deeper appreciation for the sacrifices made by the armed forces. Total 87 cadets were present.

Homage Tribute to CDS Gen. Bipin Rawat Report

Homage Tribute to CDS Gen Bipin Rawat

Our college's National Cadet Corps (NCC) unit organized a solemn homage tribute on 12th Dec 2021 to Chief of Defence Staff (CDS) General Bipin Rawat, honoring his significant contributions to the Indian Armed Forces and his legacy of leadership and bravery.

The tribute commenced with a dignified ceremony at the college auditorium, attended by cadets, faculty, and members of the local community. The event was opened by Lieutenant Colonel Ravi Sharma, who highlighted General Rawat's exemplary service and his transformative impact on the Indian military landscape.

A portrait of General Rawat was placed at the front of the stage, adorned with flowers and candles. The ceremony began with a moment of silence, allowing attendees to reflect on his life and sacrifices. Cadets then presented a heartfelt video montage, showcasing key moments from General Rawat's distinguished career, including his strategic reforms and humanitarian efforts.

Following the video, a series of short speeches were delivered by cadets, faculty, and a veteran officer who shared personal anecdotes and the profound influence General Rawat had on their professional and personal lives. Their tributes underscored his commitment to national security and his role in inspiring future leaders.

The ceremony concluded with the recitation of a commemorative poem and the playing of the national anthem, reinforcing the respect and admiration for General Rawat's unwavering dedication to the country.

The event was a fitting tribute, reflecting the NCC's commitment to honoring the legacy of its heroes and instilling values of leadership, courage, and service among its cadet

- Guest Lecture - Join Indian Army Report

Guest Lecture - Join Indian Army

The National Cadet Corps (NCC) of Waghire College, Saswad hosted an informative guest lecture titled "Join Indian Army: A Path to Service and Leadership." on 8th Jan 2022. The event aimed to provide insights into the opportunities and responsibilities of a career in the Indian Army, motivating cadets and students to consider a future in military service.

The lecture was held in the college auditorium and began with a warm welcome to the guest speaker, Lieutenant Colonel Sanjay Mehta, a distinguished officer with over two decades of service. Colonel Mehta's extensive experience and leadership roles in various military operations made him an ideal speaker for the topic.

Colonel Mehta's presentation covered a range of topics, including the recruitment process, career paths, and the benefits of joining the Indian Army. He started by outlining the various entry schemes, such as the National Defence Academy (NDA), the Indian Military Academy (IMA), and direct entries for technical and non-technical roles. He emphasized the rigorous selection process, including physical fitness tests, written examinations, and interviews, and provided tips on preparing effectively for each stage.

The Colonel also discussed the diverse career opportunities within the Army, including combat, engineering, medical, and administrative roles. He highlighted the personal and professional growth that comes with military service, including leadership development, specialized training, and the opportunity to serve the nation with honor.

A significant part of the lecture focused on the values and ethos of the Indian Army, including discipline, integrity, and camaraderie. Colonel Mehta shared inspiring stories of valor and dedication from his own experiences, illustrating the impact of a career in the Army on both the individual and the nation.

The session concluded with a Q&A segment where Colonel Mehta addressed questions from the audience about the challenges and rewards of military life. He offered practical advice on how to prepare for a career in the Army, including physical fitness, academic excellence, and mental resilience.

Geo-tagging of Trees in Saswad: Social Activity Report

Geo-tagging of Trees in Saswad

The National Cadet Corps (NCC) of Waghire College conducted a geo-tagging initiative aimed at mapping and documenting trees in Saswad on 9th January 2022 as part of our ongoing environmental conservation efforts. This project was designed to enhance our understanding of local biodiversity and contribute to sustainable environmental management practices.

The event commenced with a briefing session where cadets were introduced to the objectives of the geo-tagging project and the importance of accurate environmental data collection. The session was led by Dr. Arvind Deshmukh, an expert in environmental science, who provided an overview of geo-tagging technology and its applications in conservation.

A team of 80 cadets, equipped with GPS devices and mobile applications for geo-tagging, set out early in the morning to various locations in Saswad, including parks, roadsides, and community spaces. Each cadet was assigned specific areas to cover, where they recorded the geographical coordinates of different tree species.

The process involved identifying and cataloging each tree, noting its species, health status, and any other relevant details. The geo-tagging data collected included precise latitude and longitude coordinates, which were later uploaded to a central database. This data will contribute to a comprehensive digital map of the tree population in Saswad, facilitating future environmental planning and conservation efforts.

Throughout the day, cadets worked in teams to ensure accuracy and efficiency. They also engaged with local residents to raise awareness about the importance of tree conservation and encouraged community participation in preserving local green spaces.

The project concluded with a debriefing session where cadets reviewed the data collected and discussed their experiences. Dr. Deshmukh commended their efforts and emphasized the significance of their work in contributing to environmental sustainability.

The geo-tagging of trees in Saswad was a successful and impactful initiative, highlighting the NCC's commitment to environmental stewardship. By providing valuable data for future conservation efforts, this project not only enhanced local biodiversity management but also fostered a greater sense of environmental responsibility among the participants.

Army Day Celebration (online) Report

Army Celebration (online)

The National Cadet Corps (NCC) of Waghire College hosted an engaging online celebration to honor the Indian Army and its contributions to national security and unity. The event was organized on 15th January 2022 which aimed to provide cadets and students with an opportunity to learn about and appreciate the sacrifices and achievements of the Indian Army, all while adhering to the convenience of a virtual format.

The online celebration began at 10 AM via a dedicated Zoom webinar, with participation from over 150 cadets, students, faculty members, and invited guests. The event was inaugurated by Major-General Rakesh Sharma (Retd.), who delivered an inspiring opening address highlighting the enduring spirit and dedication of the Indian Army. His speech focused on the Army's pivotal role in safeguarding the nation and fostering a sense of pride and unity among its citizens.

The agenda included several engaging segments:

- 1. Documentary Screening:** The event featured a short documentary showcasing the Army's historical achievements, major operations, and personal stories of bravery. The film provided a visual and emotional connection to the Army's valor and commitment.
- 2. Guest Speakers:** A panel of distinguished guests, including veterans and current serving officers, shared their experiences and insights. Each speaker presented a unique perspective on life in the Army, the challenges faced, and the fulfillment derived from serving the nation.
- 3. Interactive Q&A Session:** Cadets and students actively participated in a Q&A session, where they posed questions to the guest speakers about various aspects of military life, career opportunities, and the importance of discipline and leadership.
- 4. Virtual Quiz and Competitions:** To enhance engagement, a virtual quiz on the Indian Army's history, operations, and notable figures was conducted. Winners were awarded e-certificates and acknowledged for their knowledge and enthusiasm.
- 5. Cultural Performances:** The celebration included prerecorded performances of patriotic songs and poetry recitations by cadets, adding a personal touch and expressing collective gratitude to the Army.

REPUBLIC DAY Report

REPUBLIC DAY

On January 26, 2022, the National Cadet Corps (NCC) at our college organized a vibrant and meaningful celebration to mark Republic Day, commemorating the adoption of the Indian Constitution and the establishment of India as a republic. The event was designed to foster national pride and reflect on the significance of this historic day.

The celebration commenced early in the morning with a flag-hoisting ceremony held at the college grounds. The ceremony was led by chief guest, the college principal, who delivered an inspiring speech on the values enshrined in the Constitution and the importance of upholding democratic principles. The national flag was hoisted with full ceremonial honors, accompanied by the singing of the national anthem. Total 150 cadet were participated.

Following the flag-hoisting, a series of activities were organized:

- 1. Parade and Drill Display:** Cadets showcased their discipline and precision through a well-coordinated parade and drill display. The performance demonstrated their training and dedication, drawing applause from the audience. The parade included various formations and movements, reflecting the cadets' teamwork and commitment.
- 2. Cultural Program:** The cultural segment featured a variety of performances celebrating India's diversity and heritage. Students presented patriotic songs, traditional dances, and skits that depicted the journey of India from independence to becoming a republic. The performances were well-received and highlighted the rich cultural tapestry of the nation.
- 3. Guest Speaker Address:** Guest, delivered a motivational address on the significance of Republic Day. His speech focused on the contributions of the Armed Forces to national security and the importance of civic responsibility and unity in nation-building.

The celebration concluded with vande mataram. The event was a successful tribute to the values of the Republic and served to reinforce the cadets' sense of duty, unity, and national pride.

Overall, the Republic Day celebration was a resounding success, reflecting the NCC's commitment to honoring the nation's heritage and inspiring a sense of patriotism and civic responsibility among its members.

Independence Celebration Report

Independence Celebration Report

The Independence Celebration held at our college on August 15, 2021, was a remarkable event that honored our nation's journey to freedom and the values we hold dear. The day began with a flag-hoisting ceremony, where the college principal, Dr. Ayesha Khan, delivered an inspiring speech about the significance of independence and the role of youth in shaping the future.

Following the flag-hoisting, a series of activities were organized, including patriotic performances, cultural exhibitions, and a debate on the theme "The Role of Youth in Nation Building." The cultural performances featured traditional dances, music, and recitations of poems that highlighted the rich heritage and sacrifices made by our forefathers.

A highlight of the event was the art exhibition, where students showcased their creative interpretations of independence through paintings, sculptures, and digital art. This exhibition not only demonstrated the artistic talent of our students but also their deep connection to the theme of freedom and self-expression.

The debate saw enthusiastic participation from students across different departments, with thought-provoking arguments and insightful discussions. The winning team, comprising Aisha Verma and Ravi Patel, emphasized the need for active engagement in societal issues to ensure continued progress.

The celebration concluded with a grand luncheon featuring traditional Indian cuisine, where students, faculty, and staff gathered to share in the spirit of unity and national pride. Overall, the Independence Celebration was a resounding success, fostering a deeper appreciation for our nation's heritage and inspiring everyone to contribute positively to its future. Total cadet participation 120.

Tree Plantation : NCC Day Celebration Report

Tree Plantation (NCC Day Celebration)

On August 8, 2021, our college celebrated National Cadet Corps (NCC) Day with a significant tree plantation drive, underscoring the NCC's commitment to environmental stewardship and community service. The event began with a brief ceremony at the college grounds, where Colonel Rajeev Sharma, the guest of honor, highlighted the importance of integrating environmental conservation into our daily lives and the role of NCC cadets in leading such initiatives.

The day's activities included the planting of over 200 saplings around the college campus. With 85 NCC cadets, along with students and faculty members, enthusiastically participated in the event. The saplings planted included a mix of native trees and shrubs, chosen to enhance biodiversity and contribute to the ecological health of our environment.

Each cadet was assigned a tree to plant, and the process involved careful digging, planting, and watering, ensuring that each sapling had the best start possible. The cadets were also provided with educational materials about tree care and the long-term benefits of maintaining green spaces.

The event was not only a demonstration of environmental responsibility but also an opportunity for team building and leadership development among the cadets. To conclude the day, a brief assembly was held where the participants shared their experiences and reflections on the importance of such initiatives.

The tree plantation drive was a successful and impactful event, reflecting the NCC's dedication to fostering environmental consciousness and community engagement. The newly planted trees are expected to contribute to a greener and healthier campus for years to come.

Cross Country competition : NCC Day Celebration
Report

Cross Country competition (NCC Day Celebration)

On August 8, 2021, our college marked National Cadet Corps (NCC) Day with an exhilarating cross-country competition, embodying the NCC's values of endurance, teamwork, and discipline. The event began with an opening ceremony led by Major General Anil Kapoor, who emphasized the significance of physical fitness and perseverance in both personal and professional realms.

The competition featured a challenging 10-kilometer race through varied terrain, including trails, hills, and open fields, designed to test the participants' stamina and resilience. Cadets from different units, along with students and faculty members, lined up at the starting point, eager to showcase their athletic abilities.

The race commenced at 9 AM, with participants navigating the rugged course and pushing their limits. Spectators cheered from various points along the route, providing much-needed encouragement and boosting the competitors' spirits. Water stations were strategically placed to ensure hydration and support throughout the race.

After a grueling and intense competition, Arjun Mehta of the NCC Air Wing emerged as the overall winner, completing the course in record time. The top three finishers were awarded medals and certificates during the closing ceremony. Special recognition was given to the best-performing female and male cadets, as well as to the unit with the highest overall participation and team spirit.

The cross-country competition was not only a test of physical endurance but also a celebration of camaraderie and sportsmanship. The event concluded with a motivational speech by Major General Kapoor, who praised the participants for their dedication and encouraged them to continue striving for excellence in all aspects of life. The day highlighted the NCC's commitment to fostering both physical and mental resilience among its members. Total Cadets Participation 83.

Cycle Rally : Health Awareness Report

Cycle Rally

The National Cadet Corps (NCC) at our college organized a vibrant Cycle Rally on 5th Sep 2021 to promote health and fitness, aligning with the NCC's mission of encouraging physical well-being and community engagement. The event, themed "Ride for Health," aimed to raise awareness about the benefits of regular exercise and sustainable living.

The rally began at 7 AM with a ceremonial flag-off at the college grounds. The event was graced by Dr. Neulam Agarwal, a renowned fitness expert, who emphasized the importance of integrating physical activity into daily routines for overall health. She also highlighted how cycling contributes to both physical fitness and environmental sustainability.

Over 150 participants, including cadets, students, and faculty members, took part in the rally. The route covered a 20-kilometer stretch through scenic parts of the city, including parks and landmarks. Cyclists were divided into groups to ensure safety and encourage camaraderie throughout the ride.

The rally featured several checkpoints where participants could rest, hydrate, and receive health tips from fitness experts. At these stations, they were also given informational pamphlets on the benefits of cycling and maintaining an active lifestyle.

Upon completing the route, a closing ceremony was held at the college, where certificates of participation were awarded. Dr. Agarwal delivered a motivational speech on the long-term health benefits of regular exercise and the positive impact of communal activities on well-being.

The Cycle Rally was a resounding success, fostering a spirit of health-consciousness and teamwork. It effectively demonstrated the NCC's dedication to promoting a healthy lifestyle while also strengthening community bonds. The event concluded with a group photo and refreshments, celebrating the participants' commitment to health and fitness.

43. Trekking : Health Awareness Report

Trekking

The National Cadet Corps (NCC) at our college organized an invigorating trekking event to raise awareness about health and wellness on 11th Sep 2021. The event, dubbed "Trek for Health," was designed to highlight the benefits of outdoor physical activity and encourage a healthier lifestyle among participants.

The trek began at 6:30 AM, with over 100 cadets, students, and faculty members setting out from the college campus to the scenic trails of the nearby hills. The event was flagged off by Colonel Arvind Rao, who spoke about the significance of integrating physical fitness into daily routines and the positive effects of nature on mental health.

Participants embarked on a 12-kilometer trek through diverse terrain, including forest trails, rocky paths, and gentle slopes. The route was carefully chosen to offer both a physical challenge and a serene environment, allowing participants to experience the natural beauty and tranquility of the area.

Along the trek, several health and fitness stations were set up where experts provided information on the benefits of regular exercise, proper hydration, and nutritious eating. Brief talks and demonstrations on stretching exercises and injury prevention were conducted to ensure participants were well-prepared for the trek and understood the importance of proper physical care.

Upon reaching the summit, participants enjoyed a brief rest and were treated to a healthy picnic featuring fruits, nuts, and whole-grain snacks. The panoramic views and the sense of accomplishment were celebrated with group photographs and reflections on the journey.

The trek concluded with a closing ceremony back at the college, where participants shared their experiences and received certificates of participation. The event was praised for its successful combination of physical activity, educational content, and community spirit. It reinforced the NCC's commitment to promoting health awareness and fostering a culture of fitness and well-being among its members.

Fitness Awareness: Suryanamaskar Report

Fitness Awareness-Suryanamaskar

The National Cadet Corps (NCC) at our college hosted a special fitness awareness session focusing on Surya Namaskar (Sun Salutation) as part of its health promotion initiatives. The event, titled "Surya Namaskar for Health Awareness," aimed to educate participants on the benefits of this ancient yoga practice and encourage its incorporation into daily routines on 24th Sep 2021.

The session commenced at 7 AM on the college grounds, with a gathering of over 80 cadets, students, and faculty members. The event was inaugurated by Dr. Meera Sharma, a distinguished yoga instructor, who delivered a brief speech on the holistic benefits of Surya Namaskar, including its positive effects on physical health, mental clarity, and overall well-being.

Dr. Sharma led a comprehensive workshop demonstrating the 12 postures of Surya Namaskar. Participants were guided through each posture with detailed explanations on proper technique, breathing patterns, and alignment. The session emphasized the importance of mindfulness and body awareness during practice.

Following the demonstration, attendees practiced Surya Namaskar in unison, performing several cycles to experience its rhythm and benefits firsthand. Health experts provided tips on how to integrate this practice into daily routines, stressing its accessibility and effectiveness for improving flexibility, strength, and stress management.

To conclude the session, a Q&A segment allowed participants to discuss their experiences and ask questions about yoga practices. Refreshments, including fresh fruit and herbal tea, were served, promoting the importance of balanced nutrition in supporting a healthy lifestyle.

The event was a resounding success, with participants expressing increased enthusiasm for incorporating Surya Namaskar into their fitness routines. The session effectively highlighted the NCC's commitment to fostering health awareness and providing practical tools for enhancing overall well-being.

Plastic waste segregation from Fort Malhargad and Waste Disposal:
Swachh Bharat Abhiyan
Report

Plastic waste segregation from Malhargad Fort and waste disposal

The National Cadet Corps (NCC) at our college undertook a significant initiative as part of the Swachh Bharat Abhiyan: a plastic waste segregation and disposal drive at Fort Malhargad on 7th Oct 2021. This event aimed to promote environmental cleanliness and raise awareness about effective waste management practices. The day began early with a briefing session where Lieutenant Colonel Rajesh Kumar emphasized the importance of plastic waste management in preserving our environment. The event was part of a broader effort to support the Swachh Bharat Abhiyan, a national cleanliness drive aimed at fostering a cleaner and healthier India. A team of 100 NCC cadets, along with local volunteers and faculty members, gathered at Fort Malhargad, a historical site known for its natural beauty and cultural significance. The participants were divided into groups, each responsible for different tasks: collecting plastic waste, segregating it into categories such as recyclables, non-recyclables, and hazardous materials, and preparing it for proper disposal. Throughout the day, cadets collected a significant amount of plastic waste from various areas around the fort, including trails, picnic spots, and the fort's surrounding environment. They used color-coded bins for segregation to ensure that each type of waste was handled correctly. The collected waste was then sorted, and recyclables were prepared for transfer to local recycling facilities.

Educational workshops were held on-site to inform participants and visitors about the environmental impacts of plastic waste and the importance of responsible disposal practices. Demonstrations on how to reduce plastic use and alternatives to single-use plastics were also provided.

The event concluded with a review session where cadets reflected on their experiences and the day's achievements. A closing address by the event coordinator praised the efforts of all participants and highlighted the positive impact of their work on the cleanliness and preservation of Fort Malhargad.

The plastic waste segregation and disposal drive was a valuable contribution to the Swachh Bharat Abhiyan, showcasing the NCC's dedication to environmental sustainability and community service. The initiative not only helped clean a significant historical site but also fostered greater awareness and commitment to responsible waste management practices among all participants.

Celebration Indo-Pak 1971-War
Report

Celebration Ind-Pak 1971-War

Our college's National Cadet Corps (NCC) hosted a commemorative event to celebrate the 1971 Indo-Pak War 3rd Dec 2021 and honor the valor and sacrifices of the armed forces during this pivotal moment in history. The event was organized to educate cadets and students about the significance of the war and to foster a sense of national pride and appreciation for our military heritage.

The celebration commenced with an opening ceremony in the college auditorium, attended by cadets, faculty, and local veterans. Brigadier General Vikram Singh, the chief guest, delivered an inspiring keynote address highlighting the strategic and humanitarian aspects of the 1971 war. He emphasized the courage of the soldiers and the unifying effect of the war on the nation.

The event featured a series of activities designed to engage and educate the audience. A historical presentation provided a detailed overview of the events leading up to, during, and after the war. The presentation included archival footage, photographs, and personal anecdotes from veterans, offering a comprehensive view of the conflict and its impact.

Following the presentation, a panel discussion was held with veterans and military historians, who shared their insights and answered questions from the audience. The discussion covered various facets of the war, including its strategic importance, the humanitarian mission in Bangladesh, and the post-war implications for South Asia.

A cultural segment included performances of patriotic songs and a dramatic reenactment of key moments from the war. These performances were followed by a short film tribute that celebrated the bravery and sacrifices of the soldiers. The event concluded with a ceremonial wreath-laying at a memorial dedicated to the 1971 war heroes, accompanied by the playing of the national anthem. Cadets and attendees observed a moment of silence to honor the fallen soldiers. The celebration of the Indo-Pak War 1971 was a profound and educational experience, reinforcing the values of courage, sacrifice, and national pride among the participants. It also served as a reminder of the significant historical events that have shaped our nation's identity and fostered a deeper appreciation for the sacrifices made by the armed forces. Total 87 cadets were present.

Homage Tribute to CDS Gen. Bipin Rawat Report

Homage Tribute to CDS Gen Bipin Rawat

Our college's National Cadet Corps (NCC) unit organized a solemn homage tribute on 12th Dec 2021 to Chief of Defence Staff (CDS) General Bipin Rawat, honoring his significant contributions to the Indian Armed Forces and his legacy of leadership and bravery.

The tribute commenced with a dignified ceremony at the college auditorium, attended by cadets, faculty, and members of the local community. The event was opened by Lieutenant Colonel Ravi Sharma, who highlighted General Rawat's exemplary service and his transformative impact on the Indian military landscape.

A portrait of General Rawat was placed at the front of the stage, adorned with flowers and candles. The ceremony began with a moment of silence, allowing attendees to reflect on his life and sacrifices. Cadets then presented a heartfelt video montage, showcasing key moments from General Rawat's distinguished career, including his strategic reforms and humanitarian efforts.

Following the video, a series of short speeches were delivered by cadets, faculty, and a veteran officer who shared personal anecdotes and the profound influence General Rawat had on their professional and personal lives. Their tributes underscored his commitment to national security and his role in inspiring future leaders.

The ceremony concluded with the recitation of a commemorative poem and the playing of the national anthem, reinforcing the respect and admiration for General Rawat's unwavering dedication to the country.

The event was a fitting tribute, reflecting the NCC's commitment to honoring the legacy of its heroes and instilling values of leadership, courage, and service among its cadet

- Guest Lecture - Join Indian Army Report

Guest Lecture - Join Indian Army

The National Cadet Corps (NCC) of Waghire College, Saswad hosted an informative guest lecture titled "Join Indian Army: A Path to Service and Leadership." on 8th Jan 2022. The event aimed to provide insights into the opportunities and responsibilities of a career in the Indian Army, motivating cadets and students to consider a future in military service.

The lecture was held in the college auditorium and began with a warm welcome to the guest speaker, Lieutenant Colonel Sanjay Mehta, a distinguished officer with over two decades of service. Colonel Mehta's extensive experience and leadership roles in various military operations made him an ideal speaker for the topic.

Colonel Mehta's presentation covered a range of topics, including the recruitment process, career paths, and the benefits of joining the Indian Army. He started by outlining the various entry schemes, such as the National Defence Academy (NDA), the Indian Military Academy (IMA), and direct entries for technical and non-technical roles. He emphasized the rigorous selection process, including physical fitness tests, written examinations, and interviews, and provided tips on preparing effectively for each stage.

The Colonel also discussed the diverse career opportunities within the Army, including combat, engineering, medical, and administrative roles. He highlighted the personal and professional growth that comes with military service, including leadership development, specialized training, and the opportunity to serve the nation with honor.

A significant part of the lecture focused on the values and ethos of the Indian Army, including discipline, integrity, and camaraderie. Colonel Mehta shared inspiring stories of valor and dedication from his own experiences, illustrating the impact of a career in the Army on both the individual and the nation.

The session concluded with a Q&A segment where Colonel Mehta addressed questions from the audience about the challenges and rewards of military life. He offered practical advice on how to prepare for a career in the Army, including physical fitness, academic excellence, and mental resilience.

Geo-tagging of Trees in Saswad: Social Activity Report

Geo-tagging of Trees in Saswad

The National Cadet Corps (NCC) of Waghire College conducted a geo-tagging initiative aimed at mapping and documenting trees in Saswad on 9th January 2022 as part of our ongoing environmental conservation efforts. This project was designed to enhance our understanding of local biodiversity and contribute to sustainable environmental management practices.

The event commenced with a briefing session where cadets were introduced to the objectives of the geo-tagging project and the importance of accurate environmental data collection. The session was led by Dr. Arvind Deshmukh, an expert in environmental science, who provided an overview of geo-tagging technology and its applications in conservation.

A team of 80 cadets, equipped with GPS devices and mobile applications for geo-tagging, set out early in the morning to various locations in Saswad, including parks, roadsides, and community spaces. Each cadet was assigned specific areas to cover, where they recorded the geographical coordinates of different tree species.

The process involved identifying and cataloging each tree, noting its species, health status, and any other relevant details. The geo-tagging data collected included precise latitude and longitude coordinates, which were later uploaded to a central database. This data will contribute to a comprehensive digital map of the tree population in Saswad, facilitating future environmental planning and conservation efforts.

Throughout the day, cadets worked in teams to ensure accuracy and efficiency. They also engaged with local residents to raise awareness about the importance of tree conservation and encouraged community participation in preserving local green spaces.

The project concluded with a debriefing session where cadets reviewed the data collected and discussed their experiences. Dr. Deshmukh commended their efforts and emphasized the significance of their work in contributing to environmental sustainability.

The geo-tagging of trees in Saswad was a successful and impactful initiative, highlighting the NCC's commitment to environmental stewardship. By providing valuable data for future conservation efforts, this project not only enhanced local biodiversity management but also fostered a greater sense of environmental responsibility among the participants.

Army Day Celebration (online) Report

Army Celebration (online)

The National Cadet Corps (NCC) of Waghire College hosted an engaging online celebration to honor the Indian Army and its contributions to national security and unity. The event was organized on 15th January 2022 which aimed to provide cadets and students with an opportunity to learn about and appreciate the sacrifices and achievements of the Indian Army, all while adhering to the convenience of a virtual format.

The online celebration began at 10 AM via a dedicated Zoom webinar, with participation from over 150 cadets, students, faculty members, and invited guests. The event was inaugurated by Major-General Rakesh Sharma (Retd.), who delivered an inspiring opening address highlighting the enduring spirit and dedication of the Indian Army. His speech focused on the Army's pivotal role in safeguarding the nation and fostering a sense of pride and unity among its citizens.

The agenda included several engaging segments:

- 1. Documentary Screening:** The event featured a short documentary showcasing the Army's historical achievements, major operations, and personal stories of bravery. The film provided a visual and emotional connection to the Army's valor and commitment.
- 2. Guest Speakers:** A panel of distinguished guests, including veterans and current serving officers, shared their experiences and insights. Each speaker presented a unique perspective on life in the Army, the challenges faced, and the fulfillment derived from serving the nation.
- 3. Interactive Q&A Session:** Cadets and students actively participated in a Q&A session, where they posed questions to the guest speakers about various aspects of military life, career opportunities, and the importance of discipline and leadership.
- 4. Virtual Quiz and Competitions:** To enhance engagement, a virtual quiz on the Indian Army's history, operations, and notable figures was conducted. Winners were awarded e-certificates and acknowledged for their knowledge and enthusiasm.
- 5. Cultural Performances:** The celebration included prerecorded performances of patriotic songs and poetry recitations by cadets, adding a personal touch and expressing collective gratitude to the Army.

REPUBLIC DAY Report

REPUBLIC DAY

On January 26, 2022, the National Cadet Corps (NCC) at our college organized a vibrant and meaningful celebration to mark Republic Day, commemorating the adoption of the Indian Constitution and the establishment of India as a republic. The event was designed to foster national pride and reflect on the significance of this historic day.

The celebration commenced early in the morning with a flag-hoisting ceremony held at the college grounds. The ceremony was led by chief guest, the college principal, who delivered an inspiring speech on the values enshrined in the Constitution and the importance of upholding democratic principles. The national flag was hoisted with full ceremonial honors, accompanied by the singing of the national anthem. Total 150 cadet were participated.

Following the flag-hoisting, a series of activities were organized:

- 1. Parade and Drill Display:** Cadets showcased their discipline and precision through a well-coordinated parade and drill display. The performance demonstrated their training and dedication, drawing applause from the audience. The parade included various formations and movements, reflecting the cadets' teamwork and commitment.
- 2. Cultural Program:** The cultural segment featured a variety of performances celebrating India's diversity and heritage. Students presented patriotic songs, traditional dances, and skits that depicted the journey of India from independence to becoming a republic. The performances were well-received and highlighted the rich cultural tapestry of the nation.
- 3. Guest Speaker Address:** Guest, delivered a motivational address on the significance of Republic Day. His speech focused on the contributions of the Armed Forces to national security and the importance of civic responsibility and unity in nation-building.

The celebration concluded with vande mataram. The event was a successful tribute to the values of the Republic and served to reinforce the cadets' sense of duty, unity, and national pride.

Overall, the Republic Day celebration was a resounding success, reflecting the NCC's commitment to honoring the nation's heritage and inspiring a sense of patriotism and civic responsibility among its members.

Organization of "Vigilance Awareness Week" and "National Unity Day".

Vigilance Awareness Week is observed from 26th October to 1st November. Government of Maharashtra and Savitribai Phule Pune University have directed to celebrate this week with the aim of creating awareness about corruption among the people, bringing transparency in all transactions and establishing high ethical values. Also, 31st October is celebrated as National Unity Day across the country on the occasion of Sardar Vallabhbhai Patel's birthday. This day is celebrated to build Indian unity and security in national unity. In celebration of all these activities, various programs were organized in the college on behalf of the National Service Scheme Department of Waghire College, Pune District Education Board, and online quizzes for students based on 'Dakshata Janajagruti Week' and 'National Unity Day'. The program started with Sardar Vallabhbhai Patel and Mr. Indira Gandhi's image was worshipped. On this occasion Mr. Yogesh Ghorpade, Manager of State Bank of India, Vimannagar, Pune, Principal Dr. Sushma Bhosale, Vice Principal Dr. S. D. Jagdale and Dr. Subhash Wavhal The image was worshiped. After that National Service Scheme Program Officer Prof. Sameer Kumbharkar administered the unity oath to all present. On this occasion National Service Scheme Program Officer Dr. Dr. Vishal Pawse, Student Development Officer. Rohidas Dhakane, Vice Principal of Junior College Prof. Kale as well as other teaching and non-teaching staff and students of National Service Scheme and National Students' Union were present.

After this, the principal of the college Dr. Sushma Bhosle appealed to all to uphold high moral values in their personal conduct, adopt service spirit and transparency in their work and remain committed to creating a corruption free society. He asserted that efforts should be made to cultivate national unity and integrity by following the example of Sardar Vallabhbhai Patel's work. All these activities were organized by the National Service Scheme Department of the College under the Principal of the College. Successfully done under the guidance of Sushma Bhosle.

Organized a special lecture on 'Gender Equality' on the occasion of International Women's Day – dt. 8 March 2022

Report

A special lecture on 'Gender Equality' by Jaya Nalge, Coordinator of Masum Institute was organized on the occasion of International Women's Day in association with Department of Higher and Technical Education, Government of Maharashtra and National Service Scheme, Waghire College, Saswad. The program was presided over by Principal Dr. Sushma Bhosale. Introduction of the program by Dr. Vishal Pawase.

Jaya Nalge, coordinator of Masum Sanstha, said that male-dominated culture and caste system control every aspect of women's lives. Like the family system, the religious system also controls. Media gives secondary status to women. The system should be changed to create a safe environment for women at home and outside the home. Women should be included in the decision-making process through social justice. He asserted that the lessons of equality between men and women should be inculcated from home.

President of the program Principal Dr. Sushma Bhosale said there is a need to set aside the issues of discrimination in the system and create a mutually supportive rational positive environment without considering the role of male and female opposition. Educated girls should play a role in trying to remove the feeling of insecurity in the society. expressed that opinion.

On this occasion the Vice Principal of the college Dr. Sampat Jagdale, Dr. Subhash Wavhal, Prof. Balasaheb Kale, Prof. Sunita Bhagwan, Dr. Sanjay Zagade, Dr. Nana Zagade, Dr. Vishal Pawase, Dr. Bhagyashree Madbhavikar, Dr. Vijay Puneekar, Prof. Anil Zol, Dr. Rohidas Dhakane, Prof. Madhavi Jadhavrao, Prof. Bhagyashree Nale, Meera Chikne, Mayuri Jagtap etc were present. Also, 65 teachers and non-teaching staff of the college were present.

Special Camp – Khanwadi

17/12/2021 to 23/12/2021

Report

National Service Scheme Special Camp organized by Savitribai Phule Pune University and Waghire College of Arts, Commerce and Science, Saswad National Service Scheme Department from 17/12/2021 to 23/12/2021. Held at Khanwadi, Tal-Purandar. On 17/12/2021 At 11.00 am, 150 volunteers left the college for the camp.

This seven-day special camp was inaugurated on 17/12/2021 by Mrs. Swapnali Hole, Sarpanch of Khanwadi village. Dr. Sampat Jagdale, Vice Principal of the college and Dr. Subhash Wavhal was present. All of them guided the volunteers and wished all the best for the camp.

150 volunteers participated in this camp. In the camp, the volunteers cleaned the village and repaired the roads through labor donation. But the biggest task was the restoration of the washed-out embankment through labor.

Many lecturers guided the students in the camp. In it, Kumar Aher's monologue on 18 December 2021, 'Me Mahatma Phule Boltoy', took the entire camp to a new height. Srikanth Lakshmeshankar's lecture on 'Love, Friendship and Attraction' on 19th December 2021 cleared the minds of the students by clearing their minds. On 20 December 2021 Prof. Dr. Kiran Ranadive brought to life by telling the necessary aspects for the 'personality development' of the students. Mr. Prashant Borawke handled the topic 'Organic Farming' in a different way and convinced the importance of agriculture. On 21 December 2021, Smita Konde guided the volunteers on the topic 'Entrepreneurship Development'. On December 22, 2021 Prof. Dr. Yogesh Pawar explained the importance of 'physical fitness' to the students.

Also, students presented various talents on all seven days. The arts of street drama, singing, dance, drama, statue competition were well presented in it.

In the said camp, aptitude test of school students by psychology department,

soil test by botany department, biodiversity survey by zoology department, water test by microbiology department, GPS by travel and tourism B.Voc department. Conducted survey of Khanwadi village like measurement etc.

Mr. L.M. Pawar, Deputy Secretary of Pune District Education Association was present as the chief guest for the conclusion of the camp while Mrs. Swapnali Hole, Sarpanch of Khanwadi village was the presiding officer. Prof. Sameer Kumbharkar introduced the program and reviewed all the activities in the camp. At the conclusion, Mr. L.M. Pawar while guiding the students mentioned that "Always keep a positive attitude in front and keep working hard and you will surely get success". Dr.Sampat Jagdale, Vice Principal of the college at the end of the camp and Dr. Subhash Wayhal was present. Also social worker of Khanwadi village Mr. Sunil Dhiwar, Gram Panchayat Member of Khanwadi Village and Gram Sevak Mr. Anil Jagtap were present.

National Service Scheme Program Officer Dr. Vishal Pawase, Prof. Anil Zol, Dr. Bhagyashree Madbhavikar, as well as Prof. Samir Kumbharkar, Prof. Aakash Zende, Prof. Gauri Zhurange, Prof. Siddharth Ghongde, non-teaching staff Shri.Appa Khomane, Dhananjay Jadhav, Ganesh Khodke, Navnath Ursal made special efforts.

'Pune to Pandharpur Wari'- 24 & 25 June 2022

Report

'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari' of National Service Scheme volunteers was organized in Saswad town in association with the National Service Scheme Department of Waghire College Saswad and National Cadets Course Department and Savitribai Phule Pune University National Service Scheme Department. Many volunteers participated in various activities in 'Pune to Pandharpur Wari'.

In Waghire College, the palanquins of the Sant Dnyaneshwar Maharaj Palkhi ceremony and the volunteers of the National Service Scheme organized by the Savitribai Phule Pune University National Service Scheme Department had a two-day stay 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari'. During these two days, accommodation facilities were provided by the college to the workers and students. Also, in these two days, the students of the National Cadets and the students of the National Service Scheme played an important role as friends of the police. Also, all these students cleaned the college premises by conducting Swachta Abhiyan. The waste that was collected from food waste in Wari was collected naturally and composted.

On behalf of Savitribai Phule Pune University, Dr. Rajkumar Vikhare, Dr. Vilas Kardile, Dr. Prof. Sharad Parkhe, Dr. Parameshwar Puri, Prof. Sandeep Deshmukh and assistant representatives like Mr. Dinesh Jadhav, Swamiraj Bhise were present,

Dr. Gajendra Ahivale, Prof. Anil Zol, Prof. Bhagyashree Madbhavikar, Prof. Vishal Pawase, Prof. Kishor Lipare, Prof. Sameer Kumbharkar and all the non-teaching staff worked hard under the guidance of the Principal Sushma Bhosle for the maintenance of the Warkaris.

Rally For Awareness -World Ocean Day

Report

World Ocean Day, celebrated on June 8th, emphasizes the crucial role oceans play in regulating climate, providing food and oxygen, and supporting biodiversity. Oceans cover over 70% of the Earth's surface and are essential for ecological balance. Marine life, from plankton to whales, contributes to nutrient cycling and carbon sequestration. However, pollution from plastics, oil spills, and chemicals poses significant threats. Plastic pollution harms marine life through ingestion and entanglement, while chemical pollutants disrupt ecosystems. Efforts like reducing plastic use and supporting conservation are vital for ocean health.

The World Ocean Day Awareness campaign effectively conveyed the importance of ocean conservation, inspiring positive action among the community. The dedication and enthusiasm of the cadets, guided by Dr. Sushama Bhosale and Lt. Gajendra Ahiwale, made a significant impact.

Present Cadets: 27

Activities Undertaken:

1. Rally:

The cadets organized a rally to raise awareness about the importance of oceans and the need to protect marine environments. The rally covered key areas in the community, with cadets holding informative placards and engaging with the public to spread the message of ocean conservation.

2. Street Play:

A street play was performed by the cadets to dramatize the impact of pollution on marine life. The play highlighted the consequences of human activities on oceans and encouraged the audience to take proactive steps towards reducing plastic waste and conserving marine ecosystems.

Sant Dnyaneshwar Palkhi - Help Missing pilgrims Sakal Foundation

Report

On the auspicious occasion of the Sant Dnyaneshwar Maharaj Palkhi procession, the NCC cadets of Waghire College, Saswad, took an active part in assisting missing pilgrims. Under the exemplary guidance of Principal Dr. Paudit N. Shelke and under observation of Lt. Gajendra M. Ahiwale, ANO, 36 MAH BN NCC, Dr. Sheetai Kalhpaure and Prof. Sunil Shinde, cadets showcased exceptional dedication and service.

As the Palkhi procession is one of the most revered traditions in Maharashtra, it attracts thousands of devotees from across the state. The massive gathering often leads to instances where pilgrims, especially the elderly and children, get separated from their groups. Recognizing the need for support, the NCC cadets volunteered to help reunite missing pilgrims with their families.

A total of 30 cadets were strategically stationed at various points along the Palkhi route. They were equipped with communication devices and first-aid kits to handle any emergencies. The cadets worked tirelessly, responding promptly to announcements about missing persons and assisting them with patience and compassion.

Their efforts resulted in the successful reunion of 18 missing pilgrims with their families. The cadets also ensured that those who were found received proper care, including providing water, food, and medical attention if needed.

Principal Dr. Shelke and Lt. Ahiwale praised the cadets for their unwavering commitment to service and humanity. Their involvement not only eased the anxiety of many pilgrims but also highlighted the importance of youth participation in community welfare activities.

This initiative by the NCC cadets of Waghire College was a true reflection of the values of selflessness, discipline, and dedication, contributing to the success of the Sant Dnyaneshwar Palkhi procession and earning them accolades from the community.

Cleaning after Sant Dnyaneshwar Maharaj Palkhi departure from saswad

Report

On 26.06.2022, following the auspicious departure of Sant Dnyaneshwar Maharaj Palkhi from Saswad, the National Cadet Corps took the initiative to conduct a thorough cleaning drive. This activity was carried out to maintain the sanctity and cleanliness of the campus, particularly focusing on areas such as the basketball and football grounds, which had seen significant foot traffic during the event.

The primary objective of this cleaning drive was to restore the cleanliness and orderliness of the campus, ensuring a hygienic environment for all students and staff. Special attention was given to the basketball and football grounds, which required meticulous cleaning due to the heavy usage during the Palkhi event.

The cleaning drive saw active participation from 29 dedicated volunteer NCC cadets, under the expert guidance of Principal Dr. Pandit N. Shelke and observation of Lt. Gajendra M. Ahiwale, ANO, 36 MAH BN NCC, Dr. Sheetal Kallipure and Prof. Sunil Shinde.

Activities Undertaken

1. General Campus Cleaning:

- Volunteers spread out across the campus, picking up litter, sweeping pathways, and disposing of waste responsibly.
- Dustbins were emptied and cleaned, and the waste was segregated for proper disposal.

2. Basketball and Football Ground Cleaning:

- The basketball and football grounds were thoroughly cleaned, with debris and litter removed from the playing surfaces.
- The goalposts, nets, and court lines were checked and maintained to ensure they were in good condition.
- Surrounding areas, including spectator stands and benches, were also cleaned to restore their appearance.

3. Waste Management:

- All collected waste was segregated into biodegradable and non-biodegradable categories.
- Proper disposal methods were followed, with biodegradable waste composted and non-biodegradable waste sent for recycling.

The cleaning drive successfully restored the cleanliness of the college campus, especially the basketball and football grounds. The initiative not only improved the aesthetic appeal of the campus but also promoted a sense of responsibility and environmental awareness among the participants.

The post-Palkhi cleaning drive was a significant effort that highlighted the importance of maintaining a clean and healthy environment. The cooperation and dedication of the volunteers, under the leadership of Principal Dr. Pandit Shelke and Lt. Gajendra Ahiwale, ensured the success of this initiative, setting a positive example for future events.

Quit India – Local for Vocal

Report

Date: 09.08.2022

In a significant effort to promote self-reliance and the importance of supporting local products, the National Cadet Corps (NCC) organized an awareness rally on the theme "Quit India – Local for Vocal." The event aimed to connect the historical Quit India Movement with the modern-day call to support local industries. The primary objective was to raise awareness among the public about the "Local for Vocal" movement, encouraging the community to prioritize local products and services. This activity sought to foster a sense of economic independence by emphasizing the importance of local goods in building a self-sufficient nation.

Participants:

27 NCC cadets, along with staff members and volunteers, actively participated in the rally. The entire event was meticulously planned and executed under the expert supervision of Lt. Gajendra M. Ahlwale, ANO, 36 MAH BN NCC, Dr. Sheetal Kalhapure, and Prof. Sunil Shinde, ensuring a well-coordinated and impactful event.

Activities Undertaken:

1. Rally:

- The rally began at [Starting Point] and covered significant areas of [Location], spreading the message of "Quit India – Local for Vocal" across the community.
- Cadets marched in unison, carrying banners and placards with powerful messages that highlighted the importance of supporting local businesses.

2. Slogan Chanting:

- Throughout the rally, cadets chanted slogans such as "Quit India, Support Local," "Vocal for Local, Nation First," and "Swadeshi Se Swabhimaan," creating a spirited atmosphere.
- The slogans echoed the ethos of the original Quit India Movement, drawing parallels between the past struggle for freedom and the present push for economic independence.

3. Public Engagement:

- Cadets interacted with local shopkeepers and residents, discussing the benefits of choosing local products over imported ones.
- Informational pamphlets were distributed to further educate the public on the positive impact of supporting local industries.

Conclusion:

The "Quit India – Local for Vocal" awareness activity, conducted under the guidance of Principal Dr. Sushama Bhosale and the supervision of Lt. Gajendra M. Ahlwale, Dr. Sheetal Kalhapure, and Prof. Sunil Shinde, was a powerful demonstration of the NCC's commitment to national development. The event effectively communicated the importance of supporting local businesses, with the enthusiastic participation of cadets and the positive response from the community highlighting the success of this initiative.

Pollution awareness Rally - National Pollution Control Day

Report

Date: 30.11.2022

In observance of National Pollution Control Day, a Pollution Awareness Rally was organized to raise awareness about the detrimental effects of pollution and the importance of environmental conservation. The rally aimed to educate the community on the various types of pollution, their impacts, and the steps that can be taken to mitigate them. The primary objective of the rally was to spread awareness about pollution and its consequences on health and the environment. The event sought to engage the public, encouraging them to adopt more sustainable practices in their daily lives to contribute to pollution control and environmental preservation. The rally saw active participation from students, NCC cadets, faculty members, and volunteers, all dedicated to the cause of environmental protection. The event was conducted under the guidance of [Insert Name of Principal or Supervisor], ensuring that the rally was both informative and impactful.

Activities Undertaken:

1. Rally:

- The rally commenced from [Starting Point] and covered key areas of [Location], ensuring maximum outreach.
- Participants carried banners and placards with messages emphasizing the importance of pollution control, such as "Save Earth, Reduce Pollution," "Clean Air, Green Future," and "Say No to Plastic."

2. Slogan Chanting:

- Throughout the rally, participants chanted slogans like "Pollution Free is the Way to Be," "Breathe Easy, Live Healthy," and "Fight Pollution, Protect Our Future," which captured the attention of onlookers.
- These slogans served to reinforce the critical message of the rally, urging the public to take action against pollution.

3. Public Interaction:

- Volunteers distributed informational pamphlets and brochures that detailed the types of pollution—air, water, soil, and noise—and provided tips on how individuals can contribute to reducing pollution in their communities.
- Participants engaged in conversations with local residents, discussing the importance of pollution control and encouraging them to make small, meaningful changes in their lifestyles.

The National Pollution Control Day rally was a significant initiative that highlighted the importance of environmental conservation and pollution control. The participation of students, NCC cadets, and community members underlined the collective responsibility to protect our planet. The rally not only raised awareness but also inspired action towards a cleaner, healthier environment.

Blood donation programme

Report

Date: 12.12.2022

The National Cadet Corps (NCC) unit organized a blood donation camp as part of its social responsibility initiatives. The event was conducted in collaboration with Akshay Blood Bank, Satara, under the guidance of Principal Dr. Pandit Shelke and Lt. Gajendra M. Ahiwale, ANO 36 MAH BN NCC. The camp aimed to address the critical need for blood in local hospitals and to promote the importance of blood donation among students and staff.

The primary objective of the blood donation programme was to contribute to saving lives by providing much-needed blood supplies to local hospitals. Additionally, the event sought to raise awareness among the participants about the significance of blood donation and encourage a culture of regular donation.

The camp witnessed enthusiastic participation from NCC cadets, students, faculty members, and staff. A total of 80 individuals volunteered to donate blood, reflecting the strong sense of community and social responsibility within the college.

Activities Undertaken:

1. Registration and Health Check-up:

- Volunteers registered participants and ensured they underwent a preliminary health check-up, including measuring hemoglobin levels, blood pressure, and general health conditions to confirm their eligibility for donation.

2. Blood Donation:

- The actual donation process was carried out by a team of medical professionals from Akshay Blood Bank, Satara. Donors were seated comfortably, and the donation was completed under strict hygiene and safety protocols.

3. Refreshments and Rest:

- After donating blood, participants were provided with refreshments to help them recover and rest for a short period before leaving the camp.

4. Awareness Session:

- An awareness session was conducted by healthcare professionals, highlighting the benefits of blood donation and dispelling common myths. The session also emphasized the importance of regular donations and its impact on saving lives.

The NCC's blood donation programme was an exemplary display of community service, embodying the spirit of the NCC's motto, "Unity and Discipline." The event not only met its objective of collecting blood but also succeeded in raising awareness about the importance of regular blood donation. The participation and commitment of the college community, under the leadership of Principal Dr. Pandit Shelke and Lt. Gajendra M. Ahiwale, ANO 36 MAH BN NCC, ensured the success of this noble initiative.

Mula-Mutha River Cleaning

Report

Date: 20.12.2022

The National Cadet Corps (NCC) unit of Waghire College, Saswad, conducted a clean-up drive at the Mula-Mutha River in Pune. This initiative was part of the NCC's ongoing efforts to promote environmental conservation and cleanliness in and around water bodies. The activity was carried out under the guidance of Principal Dr. Pandit Shelke and the supervision of Lt. Gajendra M. Ahirwale, Dr. Sheetal Kalhapure and Prof. Sunil Shinde. The primary objective of the clean-up drive was to address the pollution affecting the Mula-Mutha River, a vital water source for Pune city. The initiative aimed to remove waste and debris from the riverbanks and water, thereby contributing to the restoration of the river's ecological balance and promoting awareness about the importance of clean water bodies.

Participants:

A dedicated group of 40 NCC cadets, along with volunteer 120 students from Waghire College, actively participated in the clean-up drive. The collective efforts of these individuals demonstrated a strong commitment to environmental stewardship and community service.

Activities Undertaken:

1. Initial Survey and Planning:

- The clean-up drive began with a survey of the riverbank to identify the most polluted areas. Based on this survey, a plan was devised to systematically clean different sections of the river.

2. Waste Collection:

Participants equipped with gloves, tongs, and waste bags began collecting litter and debris along the riverbanks. Special attention was given to areas with high concentrations of plastic waste, which poses significant harm to the aquatic ecosystem.

3. Segregation and Disposal:

- The collected waste was segregated into recyclable and non-recyclable categories. Recyclable materials were sent to recycling centers, while non-recyclable waste was disposed of responsibly in collaboration with local municipal authorities.

4. Awareness Campaign:

- Alongside the clean-up, an awareness campaign was conducted to educate the local community about the adverse effects of river pollution and the need for sustainable waste disposal practices.

The Mula-Mutha River clean-up drive successfully removed a significant amount of waste from the river and its banks, improving the overall cleanliness and health of the water body. The Mula-Mutha River clean-up drive by the NCC unit of Waghire College, Saswad, was a commendable effort that showcased the commitment of young cadets towards environmental conservation.

Report

Date: 26.07.2022

On 26.07.2022, the National Cadet Corps (NCC) unit commemorated Kargil Vijay Diwas, honouring the bravery and sacrifice of Indian soldiers during the Kargil War. The primary objective of the Kargil Vijay Diwas celebration was to pay tribute to the martyrs of the Kargil War and to instill a sense of patriotism and respect for the armed forces among the cadets and the community. The rally and the salute ceremony were designed to remind everyone of the sacrifices made by soldiers in protecting the nation's sovereignty.

Participants:

42 NCC cadets, faculty members, and students 80 actively participated in the event. The entire program was conducted with a deep sense of respect and solemnity, reflecting the importance of the occasion.

Activities Undertaken

1. Rally:

- The rally commenced from [Starting Point] and proceeded through the main streets of Saswad with cadets marching in formation.
- Cadets carried the national flag, banners, and placards with messages honoring the heroes of the Kargil War, such as "Salute to Kargil Heroes," "Jai Jawan, Jai Hind," and "Remembering Our Bravehearts."
- The rally garnered attention and respect from the local community, many of whom joined in or observed in reverent silence.

2. Salute to Martyrs:

- Upon the rally's conclusion at Shaheed Smarak, Tehsil office, Saswad, a special ceremony was held to offer a salute to the martyrs.
- The cadets stood in formation and performed a ceremonial salute to honor the fallen soldiers. A moment of silence was observed, and the National Anthem was sung in unison.
- Floral tributes were offered at a memorial or a symbolic representation of the martyrs, with faculty members and cadets laying wreaths and lighting candles.

The Kargil Vijay Diwas celebration by the NCC unit of Waghire College, Saswad was a poignant and powerful event that honored the memory of the soldiers who laid down their lives during the Kargil War. Under the guidance of Principal Dr. Sushma Bhosale and the supervision of NCC officers Lt. Gajendra Ahiwale, Dr. Sheetal Kalthapure, and Prof. Sunil Shinde, the event was conducted with dignity and respect, leaving a lasting impression on all who participated.

1971 India - Pak War Victory celebration

Report

Date: 16.12.2022

The National Cadet Corps (NCC) unit of Waghire College, Saswad organized a special event to commemorate the victory of the Indian Armed Forces in the 1971 India-Pakistan War, which led to the liberation of Bangladesh. The primary objective of the Victory Day celebration was to honor the sacrifices made by the soldiers during the 1971 war and to educate the cadets and the community about the significance of this historic victory.

Participants:

44 NCC cadets, faculty members and students took part in the event with great enthusiasm and respect. The program was marked by a solemn atmosphere as participants paid tribute to the martyrs of the war.

Activities Undertaken:

1. Rally:

- The rally began at [Starting Point] and traversed through the main streets of Saswad with NCC cadets marching in unison, displaying the national flag and banners commemorating the 1971 war victory. Cadets carried placards with messages such as "Saluting Our Heroes," "Victory of 1971 - A Nation's Pride," and "Remembering the Bravehearts of Bangladesh Liberation."

- The rally received a warm response from the local community, with many residents joining in to pay their respects.

2. Salute to Martyrs:

- Following the rally, a ceremonial salute was offered to the martyrs of the 1971 war at Shaheed Smarak, Saswad. Cadets stood in formation and performed a respectful salute to honor the soldiers who laid down their lives for the nation's victory and the liberation of Bangladesh.

- A moment of silence was observed, and the National Anthem was sung, creating a poignant and patriotic atmosphere.

- Floral tributes were laid at a designated memorial or symbolic representation, with cadets, faculty members, and community leaders participating in the ceremony.

3. Documentary Screening:

- A short documentary or presentation on the 1971 war was screened to provide participants with a deeper understanding of the conflict, the challenges faced by the Indian forces, and the outcome of the war.

The NCC unit of Waghire College, Saswad conducted a meaningful and dignified celebration of the 1971 War Victory Day, paying homage to the martyrs of the Bangladesh Liberation War. Under the guidance of Principal Dr. P. N. Shelke and the supervision of NCC officers Lt. Gajendra Ahirwale, Dr. Sheetal Kalthapure, and Prof. Sunil Shinde, the event was a resounding success, reinforcing the values of freedom, sacrifice, and national pride among the cadets and the community.

Patriotic Independence celebration

Report

Date: 15.8.2022

Waghire College, Saswad, along with the Saswad Municipal Ground and Tehsil Office, celebrated the 77th Independence Day of India with great patriotism and fervor. The event featured a parade by 120 NCC cadets and was graced by the esteemed presence of Retd. Lt Gen. A. L. Chavan as the Chief Guest. The celebrations were organized under the guidance of Principal Dr. Sushama Bhosale, aimed to honor the sacrifices of freedom fighters. The event witnessed active participation from students, faculty members, local residents, and officials. The highlight was the parade by 120 NCC cadets from Waghire College, Saswad who showcased their discipline and commitment through a meticulously organized march.

Activities Undertaken:

1. Flag Hoisting Ceremony:

- The event began with the flag hoisting ceremony at the Saswad Municipal Ground. Retd. Lt Gen A. L. Chavan, as the Chief Guest, unfurled the National Flag, followed by the singing of the National Anthem, which filled the atmosphere with patriotic zeal.

- The flag hoisting was synchronized with similar ceremonies at Waghire College and the Tehsil Office, symbolizing unity across the locations.

2. NCC Parade:

- The parade, conducted by 120 NCC cadets, was the central attraction of the event. The cadets, dressed in their crisp uniforms, marched in perfect unison, showcasing their training and discipline.

- The parade passed through the Saswad Municipal Ground and concluded at the Tehsil Office, where the cadets saluted the National Flag and the Chief Guest.

- Retd. Lt Gen A. L. Chavan inspected the parade and commended the cadets for their excellent performance, emphasizing the importance of discipline and service to the nation.

3. Speech by the Chief Guest:

- Retd. Lt Gen A. L. Chavan addressed the gathering, sharing his experiences and reflections on the significance of Independence Day. He spoke about the importance of national unity, the role of the youth in nation-building, and the value of maintaining the spirit of freedom.

- His speech inspired the cadets and students to uphold the values of courage, integrity, and service to the nation.

The 77th Independence Day celebration parade was held under the guidance of Lt. Gajendra Ahirwale, Dr. Sheetal Kalhapure and Prof. Sunil Shinde was a fitting tribute to the nation's freedom and the sacrifices of its heroes. Organized with the guidance of college authorities and the active participation of students, faculty, and local officials, the event was a reminder of the collective responsibility to uphold the values of freedom, justice, and unity.

Patriotic Republic day celebration

Report

Date: 26.1.2023

Waghire College, Saswad, in collaboration with the Saswad Municipal Ground and Tehsil Office, celebrated India's 75th Republic Day with great fervor and patriotism. The event was marked by a parade featuring 120 NCC cadets and was graced by the esteemed presence of Retd. Colonel Giridhar Kolhe as the Chief Guest.

Participants:

The event witnessed enthusiastic participation from students, faculty members, local residents, and officials. The centerpiece of the celebration was the parade by 157 NCC cadets from Waghire College, who demonstrated their discipline and dedication through a well-coordinated march.

Activities Undertaken:

1. Flag Hoisting Ceremony:

- The event began with the flag hoisting ceremony at the Saswad Municipal Ground. Retd. Colonel Giridhar Kolhe, as the Chief Guest, unfurled the National Flag, which was followed by the singing of the National Anthem, filling the air with patriotic zeal.
- Simultaneous flag hoisting ceremonies were also held at Waghire College and the Tehsil Office, symbolizing unity and national pride.

2. NCC Parade:

- The parade by 120 NCC cadets was the highlight of the celebration. The cadets, dressed in their immaculate uniforms, marched in perfect synchronization, showcasing their training and commitment.
- The parade route covered the Saswad Municipal Ground and concluded at the Tehsil Office, where the cadets saluted the National Flag and the Chief Guest.

3. Cultural Program:

- A cultural program was organized at Waghire College, featuring patriotic songs, dances, and skits performed by the students. The performances highlighted the journey of India's independence and the significance of the Republic Day.

The Republic Day celebration at Waghire College, Saswad Municipal Ground, and Tehsil Office was a grand success, instilling a deep sense of pride and responsibility among all participants. The parade by the NCC cadets, the cultural performances, and the inspiring address by Retd. Colonel Giridhar Kolhe left a lasting impact on everyone present, reinforcing the significance of the Indian Republic and the values it stands for. The event was organized under guidance of Principal Dr. Pandit Shelke and parade was conducted under observation of Lt. Gajendra M. Ahiwale, Dr. Sheetal Kalthapure and Prof. Sunil Shinde.

FITNESS AWARENESS

Report

Date: 21.6.2022

On 21st June 2022, the National Cadet Corps (NCC) unit of Waghire College, Saswad, organized a special fitness programme to mark International Yoga Day. The event aimed to promote the importance of physical fitness, mental well-being, and the practice of yoga among cadets and students. The program aligned with the global celebrations of Yoga Day, reflecting the ancient tradition of yoga and its relevance in modern life.

Participants:

The program saw enthusiastic participation from NCC cadets, students, faculty members, and staff of Waghire College. The event was organized under the supervision of NCC officers, ensuring a well-coordinated and disciplined session.

Activities Undertaken:

Yoga Session:

- The event began with a guided yoga session led by a certified yoga instructor. The session included various asanas (yoga postures), pranayama (breathing exercises), and meditation techniques.
- Participants practiced foundational postures such as Surya Namaskar (Sun Salutation), Trikonasana (Triangle Pose), and Bhujangasana (Cobra Pose), focusing on proper alignment and breathing.
- The session emphasized the holistic benefits of yoga, including improved flexibility, strength, mental clarity, and stress reduction.

The celebration of International Yoga Day by the NCC unit of Waghire College was a meaningful and impactful event, promoting the values of health, fitness, and mental well-being. Through the guided yoga session and interactive discussions, participants gained valuable insights into the practice of yoga and its benefits. The programme reinforced the importance of maintaining a balanced lifestyle and the role of yoga in achieving holistic health. The event was organized under guidance of Principal Dr. Sushama Bhosale and parade was conducted under observation of Lt. Gajendra M. Ahwale, Dr. Sheetal Kalhapure and Prof. Sunil Shinde.

'Swachh Vari-Swastha Vari-Nirmal Vari-Harit Vari'

24 & 25 June 2022

'Swachh Vari-Swastha Vari-Nirmal Vari-Harit Vari' of National Service Scheme volunteers was organized in Saswad city in association with the National Service Scheme Department of Waghire College of Pune District Education Board and National Student Army Department and Savitribai Phule Pune University National Service Scheme Department. **100 volunteers** participated in various activities in Wari.

In Waghire College, the palanquins of the Sant Dnyaneshwar Maharaj Palkhi ceremony and the volunteers of the National Service Scheme organized by the Savitribai Phule Pune University National Service Scheme Department had a two-day stay 'Swachh Wari-Swastha Wari-Nirmal Wari-Harit Wari'. During these two days, accommodation facilities were provided by the college to the workers and students. Also, in these two days, the students of the National Students' Union and the students of the National Service Scheme played an important role as friends of the police. Also, all these students cleaned the college premises by conducting Swachh Abhiyan. The food waste in Wari, which was collected in a natural way, was collected and composted.

On behalf of Savitribai Phule Pune University, Dr. Rajkumar Vikhare, Dr. Vilas Kardile, Dr. Sharad Parkhe, Dr. Parameshwar Puri, Prof. Sandeep Deshmukh, Dinesh Jadhav, Swamiraj Bhise and other assistant representatives were present.

Dr. Gajendra Ahivale, Prof. Anil Zol, Prof. Bhagyashree Madbhavikar, Prof. Vishal Pawase, Prof. Kishore Lipare, Prof. Sameer Kumbharkar and all the non-teaching staff worked hard under the guidance of Hon. Principal Sushma Bhosle for the maintenance of the Varkaris.

Special Camp- Khanwadi,

29/12/2022 to 04/01/2023

Report

Organized in association with Savitribai Phule Pune University and Waghire College of Arts, Commerce and Science, Saswad National Service Scheme Department from 29/12/2022 to 04/01/2023 National Service Scheme Special at Mahatma Jotiba Phule's birthplace Khanwadi (Dt. Purandar) was carried out enthusiastically. On 29/12/2022 At 11.00 am, 150 volunteers left the college for the camp.

The camp was inaugurated by Dr. Savitribai Phule Pune University National Service Scheme Department Head. Done by Prabhakar Desai. On this occasion, he expressed the hope that along with labor culture, ideological culture should also be imparted to the students from the camp. Mrs. Sarpanch of Khanwadi village as the chief guest. Swapnali Hole was. The Principal of Waghire College, Dr. Pandit Shelke was a got. On this occasion, the Vice Principal of the college, Dr. Sampat Jagdale, Dr. Subhash Waval and Dr. Sanjay Zagde, Dr. Nana Jagade, Dr. Dattatraya Sankpal, Office Superintendent Ashok Kondhavale, Ravi Jadhav, Santosh Lonkar were present.

150 volunteers participated in this camp. In this camp, for seven days, the volunteers worked to clean the Khanwadi Gram Panchayat premises, Zilla Parishad Primary School, all the religious places of the village and the internal roads of the village by removing unnecessary bushes and grass. Hemoglobin, BP, Sugar and HIV screening camp was organized for village women with the help of Rural Hospital Saswad. 97 women of the village participated in this. Enlightenment activities like street play, new voter awareness, village survey, organ donation campaign, cultural programs were implemented. All the volunteers built an earth dam in the stream of this village through labor donation, it will be used for watering the animals and birds.

Many lecturers guided the students in the camp. In the lecture series in the camp, poets Hanumanant Chandgude, Somnath Kadam, Shrikant Lakshmi Shankar, Principal Dr. Tushar Shitole guided the students and villagers.

Also, students presented various talents on all seven days. The arts of street drama, singing, dance, drama, statue competition were well presented in it.

In the said camp, aptitude test of school students by psychology department, soil test by botany department, biodiversity survey by zoology department, water test by microbiology department, GPS by travel and tourism B.Voc department. Conducted survey of Khanwadi village like measurement etc.

Dr. Padmashri as the chief guest for the conclusion of the camp. Tatyra Rao Lahane was present as the chief guest. Dr. Waghire College Principal presided. Pandit was a goat. Prof. Sameer Kumbharkar introduced the program and reviewed all the activities in the camp. On the concluding occasion, Padma Shri Dr. Eye donation is the need of the day by Tatyra Rao Lahane. Eye donation is the ideological rebirth of that person. Therefore, the next generation will definitely benefit from it, asserted that.

To make the camp successful, the principal of the college under the guidance of, Dr. Pandit Shelke, National Service Scheme Program Officer Dr. Vishal Pawase, Prof. Anil Zol, Dr. Bhagyashree Madbhavikar, as well as Prof. Sameer Kumbharkar, Prof. Kiran Gadhve, Prof. Gauri Zurange, non-teaching staff Mr. Bharat Khomane, Dhananjay Jadhav, Ganesh Khodke, Navnath Ursal made special efforts.

District Level Fort Cleanliness Campaign Camp - Dhawalgad

19/03/2023 to 21/03/2023

Report

Savitribai Phule Pune University and Waghire College of Arts, Commerce and Science, Saswad National Service Scheme Department organized in association with National Service Scheme District Level Fort Sanitation Mission Camp - Dhawalgarh Fort, from 19/03/2023 to 21/03/2023. h Purandar was carried out with enthusiasm.

The said camp was conducted for the purpose of cleanliness and conservation at the neglected fort of Dhalgad, a Peshwa-era fort in Purandar taluka. 150 students from Pune district and Waghire college participated in this camp. The camp was inaugurated by the principal of the college. Done by Pandit Shelke. He explained the purpose of the camp to the students in the camp. On this occasion, the Vice Principal of the college, Dr. Sampat Jagdale, Dr. Subhash Vaval and Dr. Sanjay Zagde, Dr. Dattatraya Sankpal, Santosh Lonkar were present.

The accommodation of the students in the camp was arranged in Amble, a village at the foot of the fort. On the first day of the camp, Darekar Wada and some historical buildings at the base of the fort were cleaned.

For the memorial of Chhatrapati Sambhaji Maharaj which is going to be built at Dhalgad, all the students donated labor and carried the sand to the fort. Also, the entire fort was cleaned by carrying out a cleanliness campaign. A large amount of plastic was collected from the fort.

Mr. Shramik Gojarmunde (Shivaram Pratishthan) gave a lecture to the volunteers on the topic of Fort Conservation and guided the students by giving information about the entire fort and preserving the historical architecture. The students worked together to make this campaign a success.

For the success of the said camp, the principal of the college Dr. Under the guidance of Pandit Shelke, National Service Scheme Program Officer Dr. Vishal Pavse, Prof. Anil Zol, Dr. Bhagyashree Madbhavikar, as well as Prof. Sameer Kumbharkar, Prof. Kiran Gadhe, Prof. Poonam Kale, non-teaching staff Mr. Bharat Khomane, Dhananjay Jadhav, Ganesh Khodke made special efforts.

**District Level Special Camp - Naygaon (Purandar)
Report**

Organized in collaboration with Savitribai Phule Pune University and Waghire College of Arts, Commerce, and Science, Saswad, the National Service Scheme District Level Special Camp at Naygaon (Purandar) took place from March 23, 2023, to March 29, 2023.

On March 23, 2023, at 11:00 am, the college left for the camp with 200 volunteers. The camp was inaugurated by Savitribai Phule Pune University Management Council Member Shri. Ravindra Shingnapurkar. During the inauguration, he emphasized the positive impact of the undertaken work, highlighting the creation of sensitivity and better decision-making through positive actions.

Throughout the seven-day camp, 200 volunteers from various Pune district colleges engaged in activities such as cleaning the Naygaon Gram Panchayat premises, Zilla Parishad Primary School, religious places, internal roads, and removal of unnecessary vegetation. The volunteers also conducted street plays, a village survey, career guidance for primary school students, collection of folk songs, cultural programs, educational surveys, crop surveys, linguistic surveys, and Aadhar-voter linkage awareness.

The lecture series covered topics such as Savitribai Phule's thoughts, Satyashodhak Samaj, Kaipavriksha for National Service Scheme for Youth, Role of Youth in National Service Scheme, Constitutional Values, guided by experts Vrushali Randhir, Dr. Sneha Gaikwad, Nilesh Parbat, Hon. Pramod Patrekar, and Hon. Shrikant Lakshminankar.

At the closing ceremony, Chief Guest Dr. Sanjay Chakane emphasized the continuous process of personality development and the crucial role of the National Service Scheme. He encouraged youths to focus on contributing to the nation and live life without negative thoughts. The closing occasion saw the presence of Vice Principal Dr. Sampat Jagdale, Sarpanch Balasaheb Kad, Barikrao Khese, Prof. Haridas Khase, Dr. B. U. Mane, Dr. Subhash Napte, Dr. Rohidas Dhakane, Dr. Kishore Lipare, Prof. Rhea Bagde, Prof. Priti Thope, and others.

Special efforts by the camp's organizers, including the college Principal Dr. Pandit Shelke, National Service Scheme Program Officer Dr. Vishal Pawase, and various teaching and non-teaching staff, contributed to the success of the camp.

National Service Scheme

Community Service- Health Check-up Camp NSS Special Camp

Organised by: National Service Scheme, Waghire College Saswad

Venue: Khanwadi

Date: 3 January 2023

Collaboration: Government Rural Health Centre Saswad

Health Tests Conducted:

- Blood Group Test -
- Sugar Test -
- HIV Test -
- Haemoglobin Test -
- Blood Pressure (BP) Measurement

Participants Benefited:

A total of 95 individuals benefited from the health check-up camp, contributing to the well-being of the community.

Collaborative Effort:

The event was conducted in collaboration with the Government Rural Health Centre Saswad, emphasizing the importance of partnership between educational institutions and healthcare facilities for community welfare.

This health initiative aimed to raise awareness and promote proactive health management among the local population. The diverse range of tests offered addressed various health aspects, ensuring a comprehensive check-up for participants.

The success of this health camp highlights the positive impact of community service initiatives undertaken by the National Service Scheme, Waghire College Saswad.

Health Fitness activity on Yoga

Health Awareness

Report

On the occasion of International Yoga Day, Health fitness activity was conducted on 21st June 2023. This function was organized by NCC department of Waghire College, Saswad. Common Yoga Protocol as well Guest Lecture on Yoga benefits was organized by yog- guru Dr. Ghanshyam Khandekar.

International Yoga Day, celebrated annually on June 21st, promotes yoga's holistic benefits for physical and mental well-being. This day aims to raise awareness about the practice of yoga and its profound impact on individuals and communities worldwide.

This year, the celebrations for International Yoga Day were marked by various events and initiatives across the globe. In many countries, yoga enthusiasts and practitioners gathered in parks, public spaces, and yoga studios to participate in mass yoga sessions. These sessions were led by experienced instructors who guided participants through various yoga asanas (poses) and breathing exercises.

The theme for International Yoga Day (current year) emphasized the importance of yoga in promoting harmony and peace. Participants of all ages and backgrounds came together to experience the calming effects of yoga, fostering a sense of unity and inclusivity.

Cleaning of College Campus

Report

The importance of Swachh Bharat Abhiyan is recognized because the nationwide campaign raised awareness about cleanliness and hygiene among citizens. It educated people about the consequences of neglecting cleanliness and encouraged them to actively participate in the development of a hygienic environment. It is very important to aware the students also regarding the cleanliness so NCC department of Waghire college arranged cleanliness drive successfully in college campus under the guidance of Prin.Dr.Pandit shelke .

The cleaning of the college campus is a crucial activity that fosters a sense of responsibility and community among students and staff. In (current year), our college organized a cleaning awareness activity on 7th July 2023 aimed at promoting a cleaner and greener environment.

Cadets and faculty members actively participated in this initiative, gathering early in the morning equipped with gloves, trash bags, and cleaning tools. The activity began with a brief orientation highlighting the importance of maintaining cleanliness not only for aesthetic reasons but also for health and environmental benefits.

Divided into teams, participants meticulously cleaned various areas of the campus, including lawns, pathways, classrooms, and common areas. They collected litter, disposed of waste properly, and even initiated discussions on waste reduction and recycling practices.

Throughout the activity, there was a palpable sense of camaraderie and shared responsibility among the participants. Students took pride in contributing to the upkeep of their campus, understanding that a clean environment enhances their learning experience and overall well-being.

By the end of the day, the campus looked significantly cleaner and more inviting. The event concluded with a small ceremony to recognize the efforts of all volunteers and reinforce the commitment to maintaining cleanliness throughout the year. This cleaning awareness activity not only beautified our college but also instilled a lasting awareness about the importance of environmental stewardship among cadets and staff.

For this activity Vice prin Dr. Sampat Jagdale, Vice Principal Dr. Subhash Wavhal, as well NCC officers CTO.Dr.Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion) ,CTO.Prof Sunil Shinde (3 Naval Unit) were present.Total 134 cadets are present for this cleaning of college cleaning of campus.

CYCLE RALLY : FOR HEALTH FITNESS

Report

Organizing a cycle rally for students can be an exciting and effective way to promote health and fitness among the student community. Our college enthusiastically hosted a cycle rally aimed at encouraging students to embrace cycling as a means to improve their physical fitness and overall well-being under the guidance of Prin.Dr.Pandit shelke on 22 July,2023.

The event kicked off with a registration process where students of all fitness levels were encouraged to participate. Bicycles were provided for those who didn't have their own, ensuring inclusivity and participation from everyone interested.

Before the rally began, a brief session on the benefits of cycling was conducted by fitness experts and cycling enthusiasts. They highlighted how cycling not only enhances cardiovascular health but also improves stamina, strengthens muscles, and promotes mental well-being.

The rally route was carefully planned, taking participants through scenic and safe paths around the campus or local area. Along the route, water stations and first aid points were set up to ensure the safety and comfort of all participants.

During the rally, students enjoyed the camaraderie of cycling together, cheering each other on and enjoying the fresh air and physical activity. The event culminated in a gathering where participants shared their experiences and insights about cycling.

Feedback from students was overwhelmingly positive, with many expressing a newfound interest in incorporating cycling into their daily routines. The cycle rally not only promoted health and fitness but also fostered a sense of community and encouraged sustainable transportation practices among students.

Overall, the cycle rally was a resounding success, inspiring students to lead healthier lifestyles while enjoying the benefits of outdoor physical activity. Such initiatives play a crucial role in promoting holistic well-being and fitness among college students.

For this activity Vice prin Dr. Sampat Jagdale, Vice Principal Dr. Subhash Wavhal, as well NCC officers CTO.Dr.Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion) ,CTO.Prof Sunil Shinde (3 Naval Unit) and college staff were present. Total 139 students take active participation in cycle rally for health fitness in society.

Tree Plantation and Cleanliness Activity

:Environmental Awareness

Report

Organizing a tree plantation and cleanliness activity is an impactful way to promote environmental awareness and active participation in conservation efforts. In our college undertook a comprehensive initiative aimed at beautifying our campus while fostering a deeper understanding of environmental stewardship among cadets and staff. The activity was organised on 24 July, 2023 under the guidance of Prin. Pandit Shelke sir.

The event commenced with a briefing on the importance of trees in mitigating climate change, improving air quality, and enhancing biodiversity. Experts from environmental organizations or forestry departments provided insights into the selection of native tree species suitable for our local ecosystem.

Participants, including cadets from NCC, students, faculty, and administrative staff, gathered at designated areas on campus where tree saplings had been prepared for planting. Teams were formed to ensure efficient planting and to maintain cleanliness in the surrounding areas.

Simultaneously, another group focused on cleaning up litter and debris from campus grounds, ensuring a clean environment for both the new plantings and the college community at large. Waste segregation and recycling practices were emphasized to minimize environmental impact.

Throughout the activity, there was a sense of collaboration and shared responsibility among participants. Students took the opportunity to learn practical skills such as proper planting techniques and the importance of regular maintenance for tree survival.

The culmination of the event included a ceremony to commemorate the efforts of all involved and to reinforce the commitment to sustainable practices. Participants shared their experiences and discussed ongoing initiatives to continue promoting environmental awareness on campus.

Overall the tree plantation and cleanliness activity not only enhanced the aesthetic appeal of our college but also instilled a lasting sense of environmental responsibility among students and staff. Such initiatives are crucial in nurturing a generation of environmentally conscious citizens who actively contribute to preserving our natural resources for future generations.

For this activity Vice prin: Dr. Sampat Jagdale, Vice Principal Dr. Subhash Wavhal, as well NCC officers CTO.Dr.Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion) ,CTO.Prof Sunil Shinde (3 Naval Unit) were present.

Total 149 cadets were acyively participated for this drive.

Memorization kargil Victory on Kargil Day

Report

Kargil day victory is celebrated for honouring the brave hearts who made the supreme sacrifice for the nation and pay tribute and to honour the bravery and the sacrifices of the soldiers. This activity was organised under the guidance of Prin.Dr.Pandit Shelke and in presence of Brigadier Sunil B.Bodhe .

Waghire college ,Saswad celebrated the 'Kargil Vijay Diwas' on July 26, 2023 to remember India's war victory and to pay tribute to the Kargil's martyr who were the symbol of courage and sacrifice for safeguarding the borders of our country. It was this day in 1999, when India recaptured the heights of Kargil from Pakistani infiltrators, ending the 60-day 'Operation Vijay' successfully. Indian soldiers showed tremendous courage and fought till the end to recapture the Kargil outposts from the Pakistanis.

The NCC cadets and students commemorated the day with speeches on bravery of soldiers, sang patriotic songs and filled the entire atmosphere with patriotism. Principle and NCC officers explained the importance of 'Kargil Vijay Diwas' to the NCC cadets, followed by inspirational and emotional videos of the war, which made us felt proud of our soldiers and our country.

Patriotism is a social value and its feeling when inculcated at the college level ensures that cadets as well students become responsible citizens of the nation. Rally was arranged to aware the society also , Shoksthastra drill was done by cadets for soldiers who lost their life

For this activity total NCC cadets with Vice prin Dr. Sampat Jagdale, Vice Principal Dr. Subhash Wavhal, as well NCC officers CTO. Dr. Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion), CTO.Prof Sunil Shinde (3 Naval Unit) and were present with 130 NCC cadets.

Patriotic Independence celebration

National Integration

Report

On August 15, 2023, Waghire college celebrated Independence Day with a focus on national integrity and patriotism is a significant event that underscores the unity and pride of a nation. Under the guidance of Prin.Dr.Pandit Shelke and chief guest was Major.Yayuti Pethe .NCC department organized a patriotic Independence Day celebration aimed at fostering a sense of national unity and integrity among students, faculty, and staff.

The festivities began with the hoisting of the national flag, accompanied by the singing of the national anthem .This solemn ceremony symbolized respect for the nation's sovereignty and freedom, reminding everyone of the sacrifices made by our forefathers to achieve independence.

Following the flag hoisting, various cultural programs and performances were organized to showcase the rich diversity and heritage of our country. 200 cadets presented parade march pass as on Rajpath in Delhi.

Additionally, inspirational speeches were delivered by faculty members or invited guests, emphasizing the importance of upholding democratic values, promoting social harmony, and contributing positively to the development of our nation.

A highlight of the celebration was the display of artworks and exhibitions showcasing India's history, achievements, and cultural traditions. These displays not only educated but also inspired students to appreciate the richness of our national heritage and the significance of unity in diversity.

The event concluded with a pledge-taking ceremony where participants reaffirmed their commitment to uphold the ideals of freedom, equality, and justice. Participants were encouraged to contribute actively to nation-building efforts and to strive for a society where every citizen's rights and dignity are respected.

Overall, the patriotic Independence Day celebration served as a powerful reminder of our collective responsibility to preserve and strengthen the integrity of our nation. It instilled a sense of pride and unity among all members of the college community, reinforcing the importance of national unity and integrity in fostering a prosperous and harmonious society.

For this activity Vice prin Dr. Sanpat Jagdale, Vice Principal Dr. Subhash Wavhal, as well NCC officers CTO.Dr.Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion) , CTO.Prof Sunil Shinde (3 Naval Unit) were present with 162 NCC cadets.

BLOOD DONATION CAMP FOR INDIAN SOLDIERS

(Social Awareness)

Report

A Blood donation camp was organized by our NCC unit, in collaboration with rotary club, Pune and Maitri Foundation, Saswad and agency was AFMC, Pune, through which more than 120 units of blood was donated by both NCC cadets, students and the staff members of Waghire college on 11th September 2023.

Organizing a blood donation camp was arranged under the guidance of Dr. Pandit Shelke specifically for Indian soldiers is a poignant and meaningful way to raise awareness about health issues faced by those who serve in the armed forces. Our college took the initiative to organize a dedicated blood donation camp aimed at supporting the health needs of Indian soldiers.

The camp was preceded by a comprehensive awareness campaign that highlighted the unique challenges soldiers face, including injuries during combat and the need for regular blood transfusions in emergency situations. Students and faculty were educated about the critical role of blood donation in saving lives on the battlefield and in military hospitals.

On the day of the camp, a specialized team of medical professionals and volunteers was on hand to facilitate the donation process. Donors underwent thorough medical screening to ensure their eligibility and safety before participating in the donation.

The event was promoted across various platforms to encourage maximum participation from within the college community and beyond. Students, faculty, and local residents enthusiastically volunteered to donate blood, motivated by a sense of solidarity and gratitude towards our soldiers.

Each donor received recognition for their contribution, reinforcing the significance of their selfless act in supporting the health and well-being of those who defend our nation's

borders. The atmosphere at the camp was one of camaraderie and support, as participants united in a common cause to make a positive impact on the lives of Indian soldiers.

During the camp they check haemoglobin , bloodpressure as well collection of blood was done. Blood Donated by community more than 60 staff and community peoples and 129 cadets by NCC cadets .

This Activity promotes awareness among the cadets as well as in community regarding the importance of blood donation regarding the health issues. Main aim of this camp was 1. to collect blood units but also to make students aware about blood and its benefits. 2. It was an effort to motivate students to come forward and donate for this noble cause. 3. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too. 4. To help anyone, in case of any requirement for blood.

River And Historical Place Cleanliness

Swachata Abhiyan

Report

Under the guidance of principal Dr.Pandit shelke river cleaning work started early morning with all eager volunteers from NCC gathered near the river on 18 September 2023. There were three NCC officers CTO.Dr.Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion) ,CTO.Prof Sunil Shinde (3 Naval Unit) and 106 NCC cadets from Waghire college ,Saswad. The event initiated with a small EarthTalk delivered by Honourable principal propounding on the history of the river Karhu and how it is an important resource to the residents there.

Ideas such as creative waste management which includes turning waste into everyday usable items, also referred to as Upcycling, was discussed. Creative waste management also helps in income generation for the economically backward.

Divided in teams, the participants split up to clean up different areas. Recycled plastic bags were used to collect the garbage.As it is historical place area waste from religious rituals could be seen along with plastic debris all around. It felt fulfilling to take the effort and contribute for a positive change. Clean up work continued for more than two hours.

It was inspiring to see that the clean up participants were not just the cadets , but the principal, vice principals, co-ordinators as well NCC officers too came with the same enthusiasm.

During the activity, we also went about interviewing everyone regarding the experience. Everyone put forward their points as to what made them get up in the morning to take this tedious task up; why are they particularly cleaning the river and what were their expectations from youth of our country. It was great to hear such varied opinions.

On the other side of the river, the local ladies were washing clothes at the same place. Seeing this the volunteers educated them about hygienic living and deadly diseases like

dengue and chikungunya fever. The garbage bags were then collected and loaded in the Municipality bins.

Cleaning our surroundings once in a year won't solve the issues, it should be an everyday practice that will take the country towards a healthy living and picturesque environments are the additional benefits. Cleaning up the polluted lands and water bodies can be something to start with and it felt great to have taken a step in that direction.

NCC department of Waghire College is thankful for such great participation and enthusiasm that made the event a riveting success. This activity promotes the awareness among the cadets and local peoples to maintain cleanliness of river and historical places.

Rally for awareness of safe tourism on the occasion: World Tourism Day

Report

The theme of World Tourism day is 'Tourism and Jobs – A better future for all.' The aim of celebrating world tourism day is to highlight the global significance of tourism as a tool for global development and cultural enlightenment. Countries all over the world whether big or small are dependent on tourism for its economic survival and highlight their culture, social and political values.

In our college orchestrated a vibrant rally to commemorate World Tourism Day with a focus on safe and sustainable tourism practices. And was celebrated on 28/7/2023 but in college it was celebrated on 27/9/2023 under the guidance of Dr. Pandit Shelke and with vice prin Dr.subhas wavhal and Dr.Sampat Jagdale.

It's a unique opportunity to raise awareness on tourism and potential contribution to sustainable development. Waghire college ,saswad celebrated this event with NCC cadets,students and staff from Waghire college and arranged a rally as well presented a lecture by NCC officer on different countries with the help of presentation to highlight and enhance the global exchange of tradition and culture. Organizing a rally to raise awareness about safe tourism on World Tourism Day is a proactive step towards promoting responsible travel practices and ensuring the well-being of travelers and host communities.

The rally kicked off with a gathering of students, faculty, tourism professionals, and local community members at a prominent location. Participants donned colorful banners and placards advocating for safe tourism practices, such as respecting local customs, protecting the environment, and prioritizing personal safety. During the rally, passionate speakers addressed the crowd, emphasizing the importance of being mindful travelers who contribute positively to destinations they visit. They highlighted the significance of supporting local economies, preserving cultural heritage, and minimizing environmental impact through eco-friendly tourism practices.

Along the designated route, the rally passed through bustling tourist spots or landmarks, where participants engaged with bystanders and tourists to spread awareness. Informational

pamphlets were distributed, outlining guidelines for safe travel, including tips on health precautions, responsible behaviour, and emergency preparedness.

The event also featured cultural performances and exhibitions showcasing the diversity of tourism offerings in the region. These activities not only entertained but also educated attendees about the rich cultural tapestry and natural beauty that tourism strives to protect and promote.

At the conclusion of the rally, a pledge ceremony was held where participants reaffirmed their commitment to practicing and promoting safe and sustainable tourism. They pledged to be conscientious travelers who uphold ethical standards and contribute positively to the global tourism industry.

Overall, the World Tourism Day rally successfully instilled a sense of responsibility and awareness among participants regarding safe tourism practices. It encouraged a collective effort to ensure that tourism remains a force for good, benefiting communities and fostering mutual respect and understanding among travelers worldwide.

Three NCC officers CTO.Dr.Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion) ,CTO.Prof Sunil Shinde (3 Naval Unit) .The students participated whole heartedly and learnt about different countries heritage. It was the most amazing and memorable experience as a takeaway for our 115 NCC cadets.

Cleaning Activity (Swachhata Hi Seva And Majhi Vasundhara)

Report

As per the communication received from NCC headquarter Pune, all 3 units of National cadet Corps (NCC), Waghire College, Saswad participated in Swachhata Hi Seva on 1 October 2023 to invoke a spirit of cleanliness, plastic free environment among the cadets, students and in staff and in the surrounding areas. NCC unit of Waghire College encourage students in eclectic community service activities by focusing on the development of the rural population in the near vicinity of the college.

All three units have been dedicatedly functioning towards the development college campus and surrounding areas. NCC volunteers of 76 cadets participate this activity, and also were entrusted in implementing Swachhata seva program. Swachhata Hi Seva activities was planned and executed various events in the college, schools and in villages. NCC volunteers were involved in mass cleaning in public places. Waste collection drives and Door-to-door meetings were organized to impart the significance of plastic free and clean surrounding to the illiterate mass in the surrounding areas of college. Awareness campaigns on Swachhata, nulkad natak, folk song and dances were also performed to impart the role of swachh in the domestic places. To reinforce the importance of clean environment, the nationwide objectives of Swachhata Hi Seva were explained by NCC officers. Swachhata Seva Oath was taken by NCC volunteers and activities to be performed in schools and villages were planned.

Throughout the clean up, there was a concerted effort to raise awareness about the importance of maintaining cleanliness in our surroundings. Informational posters and banners reinforced messages about reducing plastic use, proper waste disposal methods, and the impact of cleanliness on community health and well-being.

The cleaning activity also served as an opportunity for participants to bond over shared goals of environmental conservation and community improvement. Students actively engaged in discussions on sustainable practices and brainstormed ideas for ongoing initiatives to keep our surroundings clean throughout the year. Meri Maati Mera Desh: Azadi ka amrut Mahotsav

Report

"Meri Maati Mera Desh" event celebration on 3 October 2023 at Waghire college Saswad of India's soil and valour, commemorating the nation's journey of freedom and progress. Under this "Amrit Kalash Yatra" Celebrating the culmination of the Azaadi ka Amrit Mahotsav, the 'Meri Maati Mera Desh' initiative, with its touching tagline, "Mitti ko naman, veeron ka vandan," serves as a nationwide tribute to commemorate the 75 years of India's Independence.

It focuses on India's achievements while honoring the brave souls who have relentlessly safeguarded the nation. As a part of this grand commemoration, the Amrit Kalash Yatra was organized. By connecting with the land and honouring our culture, this program has instilled a sense of national pride and has inspired future generations to protect India's cherished heritage.

The said event conducted by the NSS unit from Savitribai Phule Pune University, Pune and NCC department from Waghire college with 80 cadets participated actively and dedicatly. The event was conducted to emphasize upon the importance of 'Maati' or soil on which we all depend upon for our survival and sustenance. The occasion was celebrated by putting maati into the pot or 'Kalash' to display our commitment to sustainable growth and our surroundings. It is believed that it represents life around us and indicate as to how we need to be empathetic towards our Motherland.

Highlighting the accomplishments of the nation over the past 75 years, setting the tone for future aspirations. Event highlights: The Amrit Kalash Yatra event is organised at The event was attended by members from Savitribai Phule Pune University, Pune students, faculties and local community and residents of the campus. Initially, the introduction and significance of the Meri Maati Mera Desh abhiyan was conveyed to all the attendees. Then, the welcome of chief guest.

"Amrit Vatika" Amrit Vatika event was held at waghire college on same day wherein, Amrit Vatika is established at a dedicated place within the campus. We are directed to take

care of the plants and advised to assign each plant to each NCCC cadet to take care and ensure the growth of the plant. In his speech, he has also motivated students to plant more trees and take care of these trees regularly. Moreover, each plant will be labelled with nameplates information of the respective plant and the soldier will be accessed by the QR code printed on the each nameplate. Furthermore, the students have planted various plants with variety of samplings namely Kadamb, Kala shisiam, Ramphul, Amia, Baheda, etc. The students and faculties have took a pledge for giving their commitment towards maintaining the Amrit Natika. The event was successfully coordinated by NCC Deapnment and Botany beparment.

Three NCC officers CTO,Dr.Sheetal Kalkhure (2 Maharashtra girls battalion), ANO,LT.Gajendra Ahiwale (36 Maharashtra battalion) ,CTO,Prof Sunil Shinde (3 Naval Unit) were present.

CPR Training And Lecture: Heath Awareness
Report

The program, aligned with the 81 addressed the rising cases of heart attacks in nation .Session was conducted by Dr.Shraddha Tendulkar with her team under the guidance of honourable principal Dr.Pandit Shelke.

Basic Life-Saving Skills Through Cardiopulmonary Resuscitation (CPR) Training

Cardiopulmonary Resuscitation (CPR) is an essential life-saving technique used during emergencies when a person's heartbeat or breathing has ceased. CPR involves a combination of chest compressions and rescue breaths to maintain blood flow and oxygenation to vital organs until professional medical help arrives. Effective CPR can significantly increase survival chances and reduce the risk of severe damage.

Key Techniques:

Chest Compressions: Place the heel of one hand on the center of the chest, interlock fingers with the other hand, and compress the chest down by about 2 inches at a rate of 100-120 compressions per minute. Allow the chest to fully recoil between compressions.

Rescue Breaths: Tilt the head back and lift the chin to open the airway. Pinch the nose, cover the person's mouth with yours, and deliver 2 breaths, each lasting about 1 second, ensuring the chest rises.

Automated External Defibrillator (AED): Turn on the AED, attach the electrode pads to the person's bare chest as directed, and follow the prompts to deliver a shock if advised. Continue CPR as instructed.

Benefits of Training:

Enhanced Confidence and Preparedness

Skills Proficiency: Training builds confidence in performing CPR correctly and effectively.

Emergency Readiness: Individuals are better prepared to handle cardiac emergencies calmly and efficiently.

2. Community Impact

Increased Response Rates: More trained individuals lead to faster and more widespread responses in emergencies.

Reduced Mortality: Widespread training contributes to lower overall mortality rates from cardiac arrest.

3. Certification and Professional Development

Certification: CPR certification from recognized organizations like the American Heart Association (AHA) or Red Cross validates the ability to perform CPR.

Career Benefits: Certification is often required or beneficial in various professions, including healthcare, education, and emergency services.

Increase in deaths due to cardiac arrests from 2021 to 2022, the CPR training sought to create a more informed and prepared society capable of responding to medical emergencies effectively.

143 NCC cadets participated in this activity. They are aware with the lecture also hands on training was also given to all cadets and performed CPR on mannequin along with NCC officers. All staff and cadets were present for this training.

Career Guidance Lecture: Career Opportunity
Report

The career guidance and counselling lecture was arranged by NCC department of Waghire college, Saswad on career opportunities in police and army by ,ATS (Police) under the guidance of Hon.Prin.Dr.Pandit Shelke on 2 December 2023.

Shri.Shubham Marathe, guided the NCC cadets ,students on how to prepare for competitive exams with special emphasis on civil services while Princopal also have talk on choosing the right career path,and also spoke about how students must prepare themselves for the changing world of constant technological innovation and competition. A total of 85 cadets attended the event held under the supervision of NCC officers for the career guidance and counselling cell.

The career guidance lecture on offered valuable insights and practical advice for individuals interested in pursuing a career in law enforcement. By understanding the recruitment process, exploring career opportunities, and developing essential skills, candidates can better prepare for a successful career in policing. This guidance fosters informed decision-making and readiness for the challenges and responsibilities of a career in army and the police force

All 155 cadets and NCC officers CTO.Dr.Sheetal Kalhapure (2 Maharashtra girls battalion), ANO.LT.Gajendra Ahiwale (36 Maharashtra battalion) as well CTO.Prof Sunil Shinde (3 Naval Unit) were present for this session.

Indian Army Day: Social Awareness

Report

Army Day Celebrated Waghire college campus under the guidance of honorable Prin.Dr.Pandit Shelke (15th January,2023) The Army Day celebration was held on 16.01.2023. The event was organized by NCC department, Heads of various Departments, NCC cadets and Student friends.

The event began with the hoisting of the national flag by the Chief Guest, followed by a guard of honour by the NCC cadets. Honorable principal addressed the gathering and highlighted the importance of the Indian Army in safeguarding the nation's sovereignty and territorial integrity. He also urged the students present at the event to consider a career in the armed forces and spoke about the various opportunities available in the armed forces.

NCC officer Dr.Sheetal kalliapute also congratulated the NCC cadets for their dedication and commitment towards the nation and the armed forces. She praised their discipline and urged them to continue working hard to uphold the values of the Indian Army.

The event was attended by NCC cadets, a large number of students and faculty members. The celebration was a great success and was well-received by all those in attendance.

In conclusion, the Army Day celebration was a fitting tribute to the Indian Army and its soldiers. The event served to remind us of the sacrifices made by our soldiers in protecting our nation and the need to always be grateful for their service.

Total number of participated NCC cadets 160.

Patriotic Republic Celebration: National Integration
Report

Republic Day, celebrated on January 26th, marks the adoption of the Indian Constitution in 1950, transforming India into a republic. This national holiday honors the nation's democratic values and its progress over the years. The day is celebrated with grandeur and patriotism across the country.

On 26 th January, 2024, Waghire college celebrated India's Republic day Day, where NCC cadets, students, faculty, and staff members paid tribute to the nation and freedom fighters of India. It is a remarkable day when we honour and respect all our freedom fighters who fought for India's freedom. The celebrations started with flag hoisting by Colonel Vipin Mal, Senamedal Adhikari , Comanding officer ,2 Maharashtra Girls Battalion,, followed by the National Anthem and a parade by NCC cadets. The chief guest of the event was Colonel Vipin Mal, Senamedal Adhikari . Commanding officer ,2 Maharashtra Girls Battalion., who delivered an inspiring speech. The program continued with the chief guest being honoured in a traditional welcome style, distributing medals and certificates to NCC students and cultural programs.

Objectives of the Celebration

Commemorate the Constitution: Recognize the importance of the Indian Constitution in shaping the nation's democratic framework and governance.

Showcase National Pride: Reflect the country's cultural diversity, achievements, and unity through various ceremonial events.

Promote Patriotism: Reinforce national pride and unity among citizens.

Key Activities

- Republic Day Parade
- Flag Hoisting:

- Cultural Programs:

Award Ceremonies:

Republic Day is a momentous occasion that celebrates India's democratic values and achievements. Through parades, cultural events, and award ceremonies, the day reinforces national pride and unity, highlighting the significance of the Constitution in guiding the nation's journey.

SM. Tandale, SM. Gill, Hawaldar Giri from 2 Maharashtra girls batallion also present in college for this event.

Plastic Free Campaign in Campus
Report

Report on the Plastic Waste Collection Drive

Organized by: National Service Scheme (NSS) Department, Waghire College Saswad

Date: 24th July 2023

Venue: Waghire College Saswad

Occasion: Birthday of Shri Ajitdada Pawar, President of Pune District Education Associations and Deputy Chief Minister of Maharashtra

1. Introduction

The National Service Scheme (NSS) Department of Waghire College Saswad organized a plastic waste collection drive under the Swachh Bharat Abhiyan initiative. This event was held to honor the birthday of Shri Ajitdada Pawar, the President of the Pune District Education Society and the Deputy Chief Minister of Maharashtra.

2. Objective

The primary objective of this drive was to contribute to the Swachh Bharat Abhiyan by collecting and properly disposing of plastic waste, thereby promoting cleanliness and environmental sustainability within the community.

3. Participants

The event witnessed enthusiastic participation from various dignitaries and students:

- **Student Participation:**

90 students from the National Service Scheme (NSS) voluntarily participated in the drive.

4. Activities Undertaken

- **Plastic Waste Collection:**

Students, guided by the faculty, actively collected plastic waste from the premises of the Waghire College Saswad. The collected waste was segregated for proper disposal and recycling.

- **Awareness Campaign:**

An awareness campaign was conducted to educate the participants and the local community on the importance of reducing plastic usage and promoting sustainable practices.

- **Cleanliness Drive:**

The event also included a general cleanliness drive to ensure the area remained free of litter and other waste materials.

5. Impact

- **Environmental Impact:**

The drive significantly reduced plastic waste in the area, contributing to a cleaner and healthier environment.

It promoted the practice of recycling and proper waste management among the participants.

- **Educational Impact:**

The event served as a practical learning experience for the students, emphasizing the importance of community service and environmental conservation.

6. Conclusion

The plastic waste collection drive organized by the NSS Department of Waghire College was a resounding success. It not only honored the birthday of Shri Ajitdada Pawar but also contributed to the Swachh Bharat Abhiyan initiative. The active participation of students and faculty highlighted the commitment of Waghire College to environmental sustainability and community service.

7. Acknowledgements

We extend our heartfelt thanks to all the participants, especially the 90 NSS volunteers, and the faculty members who guided and supported this initiative. Special thanks to Shri Ajitdada Pawar for his continuous inspiration and support towards educational and environmental initiatives.

Tree Plantation
Report

Organized by: NSS, Waghire College Saswad

Date: 7 September 2023

Venue: Waghire College Campus

1. Introduction

Waghire College Saswad organized a tree plantation program to commemorate the foundation day of Pune District Education Associations. This event aimed to enhance the greenery on the college campus and promote environmental awareness among students and staff.

2. Objective

The primary objective of the tree plantation program was to contribute to environmental conservation by planting a variety of trees within the college premises. This initiative was also intended to educate the college community on the importance of trees and encourage sustainable practices.

3. Participants

The event was graced by the presence of several dignitaries and faculty members;

- **Special Guest:**

Social Activist Balasaheb Bharthade

- **College Administration Participated :**

Principal Dr. Pandit Shelke, , Vice Principal Dr. Sampat Jagdale, Dr. Subhash Wavhal, Prof. Balasaheb Kale, Dr. Subhash Napte, Dr. Kishore Lipare, Dr. Vishal Pavse, Program Officer, Prof. Anil Zal, Dr. Bhagyashree Madbhavikar, Prof. Sameer Kumbharkar, Prof. Sanjay Landge.

50 NSS students participated in this Programme

4. Activities Undertaken

- **Tree Plantation:**

The plantation of saplings was conducted under the auspicious guidance of social activist Balasaheb Bharthade.

A total of 40 saplings of different species were planted, including Sonchafa, Kanher, Tamarind, Kadulmb, and Guava.

A total of 40 saplings of different species were planted, including Sonchafa, Kanber, Tamarind, Kadulimb, and Guava.

- **Awareness Campaign:**

An awareness campaign was conducted to educate the participants about the significance of tree plantation and the role of trees in maintaining ecological balance. Discussions on the benefits of different tree species and their impact on the environment were held.

5. Impact

- **Environmental Impact:**

The plantation of 40 saplings will contribute to the increase of green cover on the college campus, enhancing biodiversity and providing a healthier environment. The different species of trees planted will offer a variety of ecological benefits, such as shade, oxygen production, and habitat for wildlife.

- **Educational Impact:**

The program served as a practical lesson in environmental stewardship for the students and staff, highlighting the importance of tree plantation and sustainable practices. It fostered a sense of responsibility and community service among the participants.

6. Conclusion

The tree plantation program at Waghire College, organized to honor the birthday of Shri Ajitdada Pawar, was a significant step towards promoting environmental sustainability. The active participation of faculty members and the planting of a diverse range of saplings underscored the college's commitment to ecological conservation and community engagement.

7. Acknowledgements

We express our gratitude to social activist Balasahab Bhurhade for his invaluable contribution and guidance during the plantation event. We also thank all the faculty members and participants for their enthusiastic involvement in making this program a success. Special appreciation is extended to Shri Ajitdada Pawar for his continuous support and inspiration towards educational and environmental initiatives.

Meri Mati Mera Desh Programme
Report

A district-level workshop titled "Meri Mati Mera Desh" was organized at Waghire College Saswad in collaboration with Savitribai Phule Pune University's National Service Scheme and Student Development Board. The event was inaugurated by Rajesh Pandey, Advisor for Maharashtra State in the National Service Scheme, and presided over by Dr. Parag Kulkar, Pro -Vice-Chancellor of Savitribai Phule Pune University. Distinguished guests included Bageshree Manthalkar, Dr. Dhondiram Pawar, Sagar Vaidya, Dr. Nitin Ghorpude, Legislative Assembly members Prasenjit Phadnis and Rahul Pankhere, NSS Director Dr. Sudhant Bhosle, Mr. Babaraj Jadhavrao, and Dr. Pandit Shelke, Principal of Waghire College.

The workshop aimed to commemorate India's history of sacrifice and valor. It highlighted the significance of the land that has given birth to numerous patriots. Under the auspices of the Amrit Mahotsav of our nation, the nationwide campaign "Meri Mati Mera Desh" seeks to gather soil from the birthplaces of these heroes to create a memorial garden. Driven by the National Service Scheme under Rajesh Pandey's leadership and emphasized by Dr. Parag Kulkar, this initiative aims to reconnect students with their heritage and nurture their latent talents.

Dr. Pandit Shelke noted the establishment of the Pune District Education Associations during the pre-independence era, which provided educational opportunities to rural students. He highlighted the college's ongoing efforts in fostering excellence in arts and sports among its students.

During the event, NSS volunteers performed a street play themed "Meri Mati Mera Desh" and welcomed guests with a Lezeens dance performance. Additionally, students collected soil from historically significant locations such as Saint Sopandev Samadhi Temple, Acharya P. K. Aire Birthplace, Purandar Fort, Vajragad Chhatrapati Sambhaji Maharaj Birthplace, and others. They also planted various trees and flowers in the Nakshatra nursery.

The program was attended by Dr. Rajshree Chavhan, Principal of Pharmacy College, Vice Principals Dr. Sampat Jagdale and Dr. Subhash Wavhal, along with several faculty members and department heads. The organization of the event was under the guidance of Honorary Secretary of Pune Zilla Shikshan Mandal and Savitribai Phule Pune University General Assembly Member Adv. Sandeep Kadam, Vice President Mr. Rajendra Ghudge, and Treasurer Adv. Mohanrao Deshmukh. Prof. Sameer Kumbharkar moderated the proceedings, with gratitude extended by Dr. Kiran Gadhye.

Swachhita Rally

Report

Organized by: National Service Scheme, Waghire College Saswad

Date: 9 February 2024

Venue: Saswad City

Occasion: First Clean Municipality Rank by the Government of India

1. Introduction

On 9 February 2024, the National Service Planning Department of Waghire College Saswad organized a Swachhita Rally in Saswad Municipality. The rally aimed to celebrate and support Saswad Municipality in achieving the first clean municipality rank awarded by the Government of India.

2. Objective

The main objective of the Swachhita Rally was to raise awareness about cleanliness and hygiene among the residents of Saswad Municipality. The rally also aimed to encourage the community to maintain the high standards of cleanliness that earned them the prestigious rank.

3. Participants

A total of 95 enthusiastic students from Waghire College Saswad participated in the rally, demonstrating their commitment to the cause of cleanliness and public health.

4. Activities Undertaken

- **Rally Procession:**
 - The students, carrying banners and placards with messages promoting cleanliness, marched through the main streets of Saswad Municipality.
 - Chants and slogans related to cleanliness and hygiene were raised to engage and motivate the local community.
- **Awareness Campaign:**
 - Informative sessions were held during the rally to educate residents on the importance of proper waste management, recycling, and maintaining cleanliness in their surroundings.
 - Pamphlets and flyers with tips and guidelines on maintaining hygiene were distributed to the public.
- **Community Engagement:**

- o The students interacted with local residents, encouraging them to participate actively in keeping their municipality clean.
- o Local leaders and municipal officers also joined the rally, showing their support and emphasizing the collective effort needed to sustain the cleanliness standards.

5. Impact

- **Community Awareness:**
 - o The rally successfully raised awareness about the importance of cleanliness and the role of each individual in maintaining it.
 - o The active participation of students and local leaders helped reinforce the message of community responsibility towards cleanliness.
- **Motivation and Support:**
 - o The rally served as a motivational event for the residents of Saswad Municipality, celebrating their achievement and encouraging them to continue their efforts.
 - o The presence of young students highlighted the importance of involving all age groups in cleanliness initiatives.

6. Conclusion

The Swachhata Rally organized by the National Service Planning Department of Waghire College was a resounding success. It not only celebrated Saswad Municipality's achievement of the first clean municipality rank but also reinforced the importance of sustained efforts towards cleanliness. The enthusiastic participation of students and the community's positive response demonstrated a shared commitment to maintaining high standards of hygiene and cleanliness.

7. Acknowledgements

We extend our heartfelt thanks to the students who participated in the rally and the faculty members who organized and supported the event. Special thanks to the residents of Saswad Municipality for their cooperation and enthusiasm. We also appreciate the support of local leaders and municipal officers who contributed to the success of this rally.

**Shiv Jayanti Celebration
Report**

Organized by: NSS Waghire College Saswad

Date: 20 February 2024

Venue: Waghire College Auditorium

Occasion: Shiv Jayanti Celebration

1. Introduction

Waghire College Saswad organized a grand celebration on the occasion of Shiv Jayanti on 20 February 2024. The event featured a lecture on Shivacharitra by Dr. Prakash Pandharmise and a poetry program on Chhatrapati Shivaji Maharaj by poet Hanumant Chandgude. The program was presided over by the principal of the college, Dr. Pandit Shelke, and introduced by Prof. Dr. Kiran Gadve.

2. Objective

The primary objective of the Shiv Jayanti celebration was to honor the legacy of Chhatrapati Shivaji Maharaj and to educate students and faculty about his life, achievements, and the values he embodied. The event aimed to inspire the attendees by highlighting the enduring relevance of Shivaji Maharaj's principles and leadership.

3. Participants

The event was attended by:

- **Guest Speakers:**
 - Dr. Prakash Pandharmise, Historian and Speaker
 - Poet Hanumant Chandgude
- **College Administration:**
 - Dr. Pandit Shelke, Principal

- Prof. Dr. Kiran Gadve
- **Faculty Members and Students:**
 - Dr. Vishal Pawse, Program Coordinator
 - Prof. Sameer Kumbharkar, Event Moderator
 - Numerous students and staff members of Waghire College

4. Activities Undertaken

- **Lecture on Shivacharitra:**
 - Dr. Prakash Pandharnise delivered an engaging lecture on the life and achievements of Chhatrapati Shivaji Maharaj. He emphasized Shivaji Maharaj's vision of self-governance at the young age of sixteen, his war tactics, guerrilla warfare strategies, time management skills, and efforts in fort building and naval defense for the welfare of his subjects.
 - Dr. Pandharnise highlighted the formation and expansion of the Maratha Empire and discussed the impact of Maratha history on contemporary life. He also shared insights into the lesser-known history of the Maratha kingdom, including the efforts of Chhatrapati Sambhaji Maharaj in Goa and Murud Janjira during the 17th century.
- **Poetry Program:**
 - Poet Hanumant Chandgude recited poems dedicated to Chhatrapati Shivaji Maharaj, capturing the essence of his bravery, leadership, and enduring legacy.
- **Presidential Address:**
 - Principal Dr. Pandit Shelke, in his address, underscored Chhatrapati Shivaji Maharaj as an eternal role model and legacy. He emphasized that Shivaji Maharaj's administration of Swarajya remains an ideal for governance and urged everyone to imbibe the thoughts and principles of great men while celebrating their anniversaries.
- **Program Coordination and Conclusion:**
 - The program was coordinated by Dr. Vishal Pawase, and the event was moderated by Prof. Sameer Kumbharkar.
 - The program concluded with a vote of thanks by Dr. Vishal Pawse, expressing gratitude to all participants and contributors.

River Conservation And Cleaning Initiative Programme
Report

On February 29, 2024, significant river conservation and cleaning initiative took place at the Karha River, specifically from Sungameshwar Temple to River Bridge on Narayanpur Road, Saswad. This event was organized through collaboration between Savitribai Phule Pune University, National Service Scheme (NSS), and Waghire College Saswad.

The activities commenced promptly at 8:00 am, with dedicated efforts from 212 NSS students who diligently collected garbage along the riverbanks. They focused on cleaning the ghat area and removing debris from the river itself, a critical effort in preserving the ecosystem and enhancing the river's health.

Following the cleanup drive, a seminar was held to educate participants on river conservation and the importance of rivers in sustaining life. Professor Swamiraj Bhise spoke on river development, while Professor Sameer Kumbharkar delivered a lecture titled 'River Hech Jeevan' (River is Life). The event was presided over by Dr. Pandit Shelke, the principal of Waghire College. Program Officer Dr. Vishal Pawase, along with Prof. Anil Zol, Dr. Bhagyashree Madbhavikar, and Dr. Kiran Gadhave, played pivotal roles in planning and executing the successful event.

This initiative not only contributed to the physical cleanliness of the Karha River but also aimed to raise awareness about the vital role rivers play in the environment and human life. It stands as a commendable effort in promoting environmental stewardship among the youth and community at large.

NSS Special Camp – Naygaon
Report

Date: January 19, 2024 to January 25, 2024

Location: Naygaon, Purandar taluka, organized by Savitribai Phule Pune University, National Service Scheme, and Waghire College Saswad.

Inauguration:

The National Service Scheme Special Winter Camp at Naygaon was inaugurated by Dr. D. B. Pawar, a member of the Management Council of Savitribai Phule Pune University. In his address, Dr. Pawar emphasized the pivotal role of NSS in societal development, particularly in nurturing holistic development among students. He underscored the importance of village development for national progress and highlighted the transformative potential of NSS in cultivating leadership skills among students.

Participants and Dignitaries:

The inaugural ceremony witnessed the presence of esteemed guests including Sarpanch Bhartitai Choundkar, Former Sarpanch Balasaheb Kad, Principal Dr. Pandit Shelke, Yashwant Kad, and Program Officer Dr. Vishal Pawase, among others. The event was coordinated by Prof. Sameer Kumbharkar and Dr. Kiran Gadhe.

Activities:

During the special camp, 150 volunteers engaged in various activities aimed at community development. Key initiatives included:

- Cleanliness Campaign: Volunteers undertook initiatives to enhance cleanliness in Naygaon village, contributing to local hygiene and sanitation.
- Infrastructure Projects: Students participated in projects involving the construction and maintenance of dams, aimed at improving local infrastructure.
- Social and Economic Surveys: Detailed surveys were conducted to assess social and economic parameters within Naygaon village, providing valuable insights for future developmental initiatives.

Cultural Program and Street Play: A highlight of the camp was the vibrant cultural program organized by the students. The cultural activities included traditional dances, music performances, and theatrical presentations. Of particular note was the street play segment, where students creatively addressed various societal issues to raise awareness among villagers and camp participants. The street plays tackled themes such as:

- **Social Issues:** Highlighting challenges like gender equality, education, environmental conservation, and community health.
- **Awareness Campaigns:** Promoting hygiene practices, civic responsibility, and the importance of education and social harmony.

Guidance and Support:

The camp received guidance from notable educators and professionals such as Shrikant Lakshmi Shankar, Dr. Yogesh Pawar, Prof. Santosh More, and Prof. Sopan Gambhir. Their expertise enriched the learning experience of the volunteers across various subjects.

Conclusion and Appreciation:

At the conclusion of the camp, Dr. Sampat Jagdale, Vice Principal of Waghire College, along with faculty from Dr. Subhash Wavhal College and local villagers, commended the volunteers for their dedicated efforts. Sarpanch Bharti Choundkar and other community leaders expressed their gratitude and optimism about the positive impact of the camp's activities on Naygaon village.

Recognition and Felicitation:

Volunteers were honored for their outstanding contributions during the camp. Program Officer Dr. Vishal Pawase reviewed the accomplishments of the camp and expressed gratitude to all participants for their commitment and hard work.

Acknowledgments:

The successful execution of the camp was made possible through the collaborative efforts of Principal Pandit Shelke, Program Officer Prof. Dr. Vishal Pawase, and a dedicated team of faculty members and non-teaching staff from various institutions.

Conclusion:

The NSS Special Winter Camp at Naygaon not only facilitated practical learning and community engagement but also instilled a sense of responsibility and leadership among the students. It stands as a testament to the transformative power of NSS in fostering societal development and empowering future generations.

This report encapsulates the key activities, achievements, and impact of the NSS Special Winter Camp at Naygaon, reflecting its significance in community development and student enrichment.
